HOROSCOPES by Stella Wilder

THURSDAY, MARCH 21, 2019

YOUR BIRTHDAY

Born today, you are an enthusiastic and visionary individual for whom tomorrow holds tremendous promise, but you are not so fixed on the future that you are unable to enjoy what is happening in the moment. You are aggressively optimistic and able to jump into virtually any new situation with confidence, if not ability. You rarely risk burnout, for your stores of energy and resolve are seemingly bottomless and surely exceed those of others, even those born under your sign.

FRIDAY, MARCH 22

ARIES (March 21-April 19) -- Do you understand the way things are supposed to be done? Only after demonstrating that will you be allowed to break with tradition.

TAURUS (April 20-May 20) -- Everyone can benefit from a little extra display of kindness and courtesy, and today it may be up to you to show those around you how that's

done.

GEMINI (May 21-June 20) -- You may have to make a choice you never thought would be yours to make. Others are paying close attention to your process of elimination.

CANCER (June 21-July 22) -- Someone throws a wrench into the works today, requiring you to improvise a bit in order to protect others from unfavorable developments.

LEO (July 23-Aug. 22) -- You may be face-to-face at some point today with a rival. Don't simply try to take the easy way out, for that way lies a very real danger.

VIRGO (Aug. 23-Sept. 22) -- Any attempt to rewrite history today will backfire on you. You must face the truth and encourage others to do very much the same.

LIBRA (Sept. 23-Oct. 22) -- Today, actions you took just yesterday are likely to have very different results. You'll be surprised -- and encouraged, too, very likely.

SCORPIO (Oct. 23-Nov. 21) -- Don't let anyone tell you that you're not the right per-

son for a certain job that has to be done today. You have the know-how and experience.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may be lulled into thinking that there's more time available to you today than there really is. Late in the day you'll pick up the pace.

CAPRICORN (Dec. 22-Jan. 19) -- You're hoping that something you recently did continues to go unnoticed, but that's not likely today. You'll have to face the music.

AQUARIUS (Jan. 20-Feb. 18) -- You'll want to make room in your life for someone who only now has demonstrated just how much he or she has in common with you.

PISCES (Feb. 19-March 20) -- You're hoping that you come out on top today, but you may be facing an uphill climb before you know what your chances really are.
