## HOROSCOPES by Stella Wilder

SATURDAY, MARCH 23, 2019  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are one of the most private individuals born under your sign, which seems to be a striking contradiction to the kind of public life you are likely to lead because of your talents. Like so many Aries natives, you are aggressive and competitive, seeking a win over all else, and like some you know just what you must do to score those victories. What is unique, however, is that people may not know these things about you because you tend to be so soft-spoken and retiring in your private life. When it comes to health and home, you are traditional and seek nothing but quiet contentment; when it comes to your work, you will fight to be the best and prevail.

SUNDAY, MARCH 24  
**ARIES (March 21-April 19)** -- A conflict of interest mustn't be allowed to cause a rift between you and a friend. For now, steer clear of each other's business.  
**TAURUS (April 20-May 20)** -- A compli-

cation arises quite by surprise today. You should know better than to think things will go smoothly without proper oversight!  
**GEMINI (May 21-June 20)** -- Economics takes its place today as a central concern, though you have a way out of tight situations, and others are likely to be envious.  
**CANCER (June 21-July 22)** -- Anticipation keeps you engaged today, but if you find that things are not what you were expecting, the disappointment may be quite profound.  
**LEO (July 23-Aug. 22)** -- Getting from here to there is as simple as following a straight line. Complications arise only if you allow a friend to distract you.  
**VIRGO (Aug. 23-Sept. 22)** -- Someone or something isn't likely to be what he, she or it appears to be. You have time to get to the bottom of the mystery that arises.  
**LIBRA (Sept. 23-Oct. 22)** -- A current undertaking proves more complicated than expected today. More surprises are in store, so be ready.  
**SCORPIO (Oct. 23-Nov. 21)** -- How many

different methods are you going to try before settling on the one that is the simplest and most straightforward? You know it's best!  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- You don't want to assign labels to things, but how else are you going to communicate your ideas to others right now? Choose wisely!  
**CAPRICORN (Dec. 22-Jan. 19)** -- You will have an opportunity to share your feelings with a loved one in a way that opens up a whole world of new opportunities.  
**AQUARIUS (Jan. 20-Feb. 18)** -- Now is no time merely to be wishing things were different; rather, you'll want to be focusing on how to adjust them to suit your current needs.  
**PISCES (Feb. 19-March 20)** -- A loved one is ready and willing to lead the way, and today you may be of a mind to follow without worrying where you'll end up.

SUNDAY, MARCH 24, 2019  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are never so happy as when you are meeting a challenge, and the more you have to put on the line in order to meet that challenge, the better. You enjoy gathering all the knowledge and experience that such a peripatetic life affords you. You play all kinds of roles in the lives of people who make your acquaintance, and you are never afraid of trying what has never been done in order to do a good turn for someone in need. You believe that "any landing you can walk away from is a good landing."

MONDAY, MARCH 25  
**ARIES (March 21-April 19)** -- Someone is likely to grant you a little more latitude when it comes to a certain endeavor. This freedom teaches you something of a lesson.  
**TAURUS (April 20-May 20)** -- You mustn't put yourself in another's shoes today until you know precisely what it is you will be facing when you do. Try to avoid guesswork.

GEMINI (May 21-June 20) -- You have much to offer, but you mustn't price yourself under market. Do some research to determine how you compare to others in the same line.  
 CANCER (June 21-July 22) -- It's time to thank someone who has helped you out of situations that could have proved quite disastrous. Mind your manners today, by all means.  
 LEO (July 23-Aug. 22) -- You can speak with some authority about issues that are fast becoming central to your own situation and that of those around you.  
 VIRGO (Aug. 23-Sept. 22) -- You will have the opportunity to respond to someone else's baseless charges, but don't waste time explaining what needn't be explained.  
 LIBRA (Sept. 23-Oct. 22) -- You can keep anger at bay today by focusing on what you really need. Lose sight of that, and there's a chance you will face serious danger.  
 SCORPIO (Oct. 23-Nov. 21) -- It's impor-

tant for you to know who is the good guy and who is the bad guy today. Shades of gray keep you from coming up with a quick answer.  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- A routine event has you thinking that maybe things needn't stay the same for very much longer. You sense a rumbling under the surface.  
**CAPRICORN (Dec. 22-Jan. 19)** -- The pace quickens and slows several times today. Do your best to remain abreast of developments that affect dynamics at the workplace.  
**AQUARIUS (Jan. 20-Feb. 18)** -- You may have to jump at an unusual opportunity today in order to have what you need to do the one thing you really want to do tomorrow.  
**PISCES (Feb. 19-March 20)** -- You may feel that someone who was on your side is considering shifting his or her alliance. You must be willing to discuss difficult issues.
