HOROSCOPES by Stella Wilder

YOUR BIRTHDAY by Stella Wilder
Born today, you know how to balance style and substance in such a way that you maximize the odds in virtually every situation you face, while at the same time winning praise and admiration for being upstanding, honorable, and quite unflappable. There are times when you may be quite "slippery" and all but impossible to pin down, especially when you are trying to navigate circumstances that are not well known to you. This is common to many Aries natives.
WEDNESDAY, MARCH 27
ARIES (March 21-April 19) -- You are impressed with how a certain someone handles a tricky situation. In the future, you'll want to try his or her method yourself.
TAURUS (April 20-May 20) -- You may have to cut short a journey today because someone doesn't do what he or she is supposed to do. The future takes on a strange hue.

GEMINI (May 21-June 20) -- Someone may wish you good luck, but you have a sneaking suspicion he or she doesn't really mean it. There's something in the tone.
CANCER (June 21-July 22) -- Others are looking out for you today, but you must also look out for yourself. There are certain dangers you must avoid from the outset.
LEO (July 23-Aug. 22) -- You may seem to be acting out of character today, but you have good reason for doing so. Others may be thrown off balance by this inconsistency.
VIRGO (Aug. 23-Sept. 22) -- You can make something happen today by remaining on the front lines and directing the actions of others -- but not all goes as planned.
LIBRA (Sept. 23-Oct. 22) -- Someone introduces you to a new way of thinking about key topics. Might this spark a permanent change? That's up to you entirely.
SCORPIO (Oct. 23-Nov. 21) -- You may have to stop what you're doing more than once today to deal with a situation you

thought had been avoided. Did you overlook something?
SAGITTARIUS (Nov. 22-Dec. 21) -- You are trying to accomplish something that has never been done -- and others are eager to see you succeed. Keep up the pace.
CAPRICORN (Dec. 22-Jan. 19) -- You've been through a lot lately, but perhaps you don't feel you have much to show for it. The truth is, you are very much changed.
AQUARIUS (Jan. 20-Feb. 18) -- Insist on getting the truth from someone who was in the thick of things when they went bad. You need the facts in order to fix the problem.
PISCES (Feb. 19-March 20) -- You may have to bend the rules just a bit today. Someone under your care has trouble doing what is required. It may be time to step in.
