HOROSCOPES by Stella Wilder

SATURDAY, MARCH 30, 2019

YOUR BIRTHDAY by Stella Wilder

Born today, you know how to carry yourself in almost any situation so you are virtually immune from the kind of slings and arrows to which others are susceptible day after day. Style and substance are so intricately and closely aligned in your personality and your life that you always remain poised and capable, no matter how tough things may get. You do not always enjoy being the center of attention, but it's something you will certainly get used to.

SUNDAY, MARCH 31

ARIES (March 21-April 19) -- You receive information today that others have been long awaiting; what you do with it will determine the outcome of a mysterious situation.

TAURUS (April 20-May 20) -- You may be wise to do things on your own today and save group efforts for another time. You realize just what is on the line during the evening.

SUNDAY, MARCH 31, 2019

YOUR BIRTHDAY by Stella Wilder

Born today, you are likely to exert quite an influence on others throughout your lifetime, almost by accident, often unintentionally, as if doing so is something you simply cannot avoid. You have one of the strongest and most vibrant personalities of anyone born under your sign, and many will simply call you a force of nature -- and so you are! You thrive on activities that allow you to use your many talents to the fullest. You know how to look at all sides of an issue, and you are quite adept at making an argument for or against any proposition -- even if you don't truly believe what you are saying.

MONDAY, APRIL 1

ARIES (March 21-April 19) -- You can afford to give yourself just a little more of what you most need -- and like! Now is no time to go without.

TAURUS (April 20-May 20) -- You are more than willing to assist another when it

GEMINI (May 21-June 20) -- You'll have the chance to examine a certain issue through a new lens. Now's the time to do what you can to solve a problem.

CANCER (June 21-July 22) -- You may be trying to keep recent activities under wraps, but someone knows what you've been up to and may spill the beans by day's end.

LEO (July 23-Aug. 22) -- A complicated situation is made more so today when you slip up and say the one thing you've been advised not to say. You must make amends!

VIRGO (Aug. 23-Sept. 22) -- You may be guilty of making rash judgments, it's true -- but no one is likely to hold it against you after what you've recently been through.

LIBRA (Sept. 23-Oct. 22) -- You'll discover just enough today to whet your appetite for something more. A friend seems to know just what you're really after right now.

SCORPIO (Oct. 23-Nov. 21) -- You're able to go just a little farther than expected today,

challenging someone to match your efforts in the process. Skills are developed.

SAGITTARIUS (Nov. 22-Dec. 21) -- You can't be expected to excel today when you are not told what it is you're supposed to be doing. You must get explicit instructions.

CAPRICORN (Dec. 22-Jan. 19) -- You cannot know what another is thinking today, but you can watch closely and make certain assumptions based on what you observe.

AQUARIUS (Jan. 20-Feb. 18) -- Take a closer look at yourself in the mirror to realize it's time to face certain facts that only you can truly recognize.

PISCES (Feb. 19-March 20) -- You are able to respond to what goes on around you in a way that accentuates the positive. A few changes may have to be made after dark.

comes a tricky personal endeavor, but you must avoid becoming emotionally involved.

GEMINI (May 21-June 20) -- Seek and ye shall find -- and if you don't find what you're after, perhaps it wasn't lost to begin with. Certain answers surprise you.

CANCER (June 21-July 22) -- You may find it difficult to stick to your schedule today. Someone else's shenanigans throw a wrench in the works -- temporarily.

LEO (July 23-Aug. 22) -- It's time to get back in the swing of things after a brief period of both cooling off and preparing yourself for a trial that is on its way.

VIRGO (Aug. 23-Sept. 22) -- You don't want to challenge a rival today until you have estimated, as best you can, how he or she will respond. No shots in the dark.

LIBRA (Sept. 23-Oct. 22) -- Someone's interest in what you are up to may not be precisely what you think it is. You must assess his or her motives before engaging.

SCORPIO (Oct. 23-Nov. 21) -- You feel

that you are transitioning in some way, morphing perhaps into something that you cannot quite grasp yet.

SAGITTARIUS (Nov. 22-Dec. 21) -- Something that is not quite clear nevertheless gives you enough information for you to formulate at least a rough game plan for the day.

CAPRICORN (Dec. 22-Jan. 19) -- Progress can be made today, but you may also find yourself taking wild swings at a target you cannot quite identify. Is there any danger?

AQUARIUS (Jan. 20-Feb. 18) -- A look into the future gives you less information about your current situation than a quick glance into the past. Take a look.

PISCES (Feb. 19-March 20) -- Your style will be on display today, whether or not you know it. Many will comment on your ability to walk a very fine line.
