 Landscape Contractors Law (ORS 671) requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: www.lcb.state.or.us to check the license status before contracting with the business. ## HOROSCOPES by Stella Wilder

THURSDAY, APRIL 4, 2019

**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are always on the lookout for something more to do, and when you spot it, you will jump at it with all cylinders clicking away. Never one to waste a chance at doing something others have not done -- or cannot do -- you will even endanger yourself to try something to which you are simply unsuited. You don't know when to quit, usually, and you have been known to work yourself to the point of exhaustion. You can be, at times, a little too self-involved. You can benefit from helping those around you.

**FRIDAY, APRIL 5**

**ARIES (March 21-April 19)** -- You can combine hard work and good fun today in a way that attracts others into your orbit. Don't stop now -- things are clicking!

**TAURUS (April 20-May 20)** -- You may choose to lie low for a while today, but know that you run the risk of missing something rather important. Try to stay alert.

**GEMINI (May 21-June 20)** -- You may require a little break in the action today, even as you find yourself coming down to the wire. You know what you can afford.

**CANCER (June 21-July 22)** -- It's time to put a perceived offense behind you. A friend or loved one cannot help you if you're unwilling to help yourself in this way.

**LEO (July 23-Aug. 22)** -- It may be time to move on to something else, even though the work you're doing right now hasn't yet paid off. Other essentials are calling to you.

**VIRGO (Aug. 23-Sept. 22)** -- A key issue proves a sticking point today as you try to negotiate with someone who sees things very differently. Listen to reason!

**LIBRA (Sept. 23-Oct. 22)** -- Certainty may elude you today, but you can get very far on a hunch. Someone you know well makes a mistake you can correct in no time.

**SCORPIO (Oct. 23-Nov. 21)** -- A new opportunity arises today, and you're in the right position to make the most out of it -- though hard work will soon be required.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- You can put on a demonstration that is not only widely appreciated and enjoyed, but that also teaches many an important lesson.

**CAPRICORN (Dec. 22-Jan. 19)** -- You may discover that not everyone is willing to support you in your efforts. The question is, must you change, or must they?

**AQUARIUS (Jan. 20-Feb. 18)** -- You know what you're looking for, but you're not looking in the right places. The search should come to an end today or tomorrow.

**PISCES (Feb. 19-March 20)** -- You mustn't squander a second chance today. Take it seriously, and don't focus too much on what is expected. Do what you must.
