HOROSCOPES by Stella Wilder

SATURDAY, APRIL 6, 2019
YOUR BIRTHDAY by Stella Wilder
 Born today, you are a skilled observer of other people, and you are able to determine much about them simply by watching them go about their business on a daily basis. There is a danger inherent in this, however. You may never become involved yourself, but rather sit back and simply let the world pass by you. This is not something you want to do, so you had better learn to use what you were taught about human nature in some kind of active manner; shape it into a line of work and you can certainly be happy.

SUNDAY, APRIL 7
ARIES (March 21-April 19) -- You may be trying to push your limits too hard lately. Today, try settling back into a groove that doesn't demand too much of you.

TAURUS (April 20-May 20) -- If you can't do what you had hoped today, at least do what you know you are able to do. Be realistic

in your expectations of others as well.

GEMINI (May 21-June 20) -- You may be contacted regarding something that you are only partially connected with, but soon you'll find yourself fully involved.

CANCER (June 21-July 22) -- You are able to exceed your own expectations as well as the expectations of someone who has been watching over you. A difficult time is passing.

LEO (July 23-Aug. 22) -- You may be frustrated by your inability to explain yourself effectively to someone who is unable to see what you are really doing. Be patient.

VIRGO (Aug. 23-Sept. 22) -- You can move ahead at an easy pace today, without making too many waves or rocking the boat in any way. It's smooth sailing for now.

LIBRA (Sept. 23-Oct. 22) -- You will want to make yourself comfortable, but there is a line you must not cross. Today, you'll have to strike a careful balance.

SCORPIO (Oct. 23-Nov. 21) -- You will

want to observe what is happening around you with great care today, for tomorrow you may be asked to take charge in some way.

SAGITTARIUS (Nov. 22-Dec. 21) -- Confusion arises today when you try to do too much at any one time; limit yourself to what is required -- and what you want to do.

CAPRICORN (Dec. 22-Jan. 19) -- Someone who is in a bind reaches out to you, but the help that he or she asks for may be more than you are willing to give. Be honest.

AQUARIUS (Jan. 20-Feb. 18) -- You are on a path that promises to take you somewhere you've long wanted to go, but there may be many side trips along the way.

PISCES (Feb. 19-March 20) -- You can demonstrate something that makes a big difference to those who have the good fortune to watch today. Progress is made quickly.

SUNDAY, APRIL 7, 2019
YOUR BIRTHDAY by Stella Wilder
 Born today, you are one of the most lively and inventive individuals born under your sign. Whether you choose to engage with others or work on your own, you will surely be known for your ability to think outside the box, and innovation will be your ticket to success. That, combined with your energy and attention to detail, will surely allow you to rise quickly to the top of almost any profession you choose. You think good thoughts, speak well of others, enjoy good company and are quick to shine light on others who are doing good work.

MONDAY, APRIL 8
ARIES (March 21-April 19) -- You will want to let someone else lead the way for a time today -- at least until you get your bearings and settle on a final destination.

TAURUS (April 20-May 20) -- Take care that you are not so free-wheeling today that you are unable to buckle down and get done

the things that have to be finished.

GEMINI (May 21-June 20) -- You focus on the things that matter to you, but today it may be more appropriate to focus on the things that matter to a loved one.

CANCER (June 21-July 22) -- You are eager to see things change, but uncertain as to how to effect that change. Pay attention to what someone else is doing, and follow suit.

LEO (July 23-Aug. 22) -- Use your imagination today and you'll solve a problem that ordinary thinking isn't likely to solve. Why not be a little more daring?

VIRGO (Aug. 23-Sept. 22) -- You're sure to encounter several obstacles today, but the only one you have to worry about is the one that you have created for yourself.

LIBRA (Sept. 23-Oct. 22) -- You'll want to go easy on someone who is still learning the ropes. Take care, however, that you don't start helping too much.

SCORPIO (Oct. 23-Nov. 21) -- You may be getting advice from someone who is not

really in a position to give it. Take it easy, however, and don't fly off the handle.

SAGITTARIUS (Nov. 22-Dec. 21) -- A creative endeavor proves more difficult than you had anticipated -- in part because you are trying to do something experimental.

CAPRICORN (Dec. 22-Jan. 19) -- Momentum is your friend; you will want to avoid anything that requires you to slow down or -- even worse -- stop in your tracks. Keep going.

AQUARIUS (Jan. 20-Feb. 18) -- You may realize what you are trying to accomplish is not something that others are eager for you to do. It's time to change their minds.

PISCES (Feb. 19-March 20) -- If the wish you've made is not compatible with that made by someone else, you'll know it right away -- certainly in time to do something about it.
