HOROSCOPES by Stella Wilder

YOUR BIRTHDAY by Stella Wilder

Born today, you have a knack for sizing up other people very quickly, and while this can certainly serve you well in certain situations, you may at times encounter problems when your personal affairs are dictated by too quickly judging those you encounter. Still, you are rarely if ever one to use what you think about people against them; you are positive, friendly, accepting and always willing to let people change your mind about them. You do not like gossip and innuendo, probably because you often find yourself the subject of such talk -- and though you are very good at turning away from such attention, what you do hear can at times hurt you very deeply.

WEDNESDAY, APRIL 24

TAURUS (April 20-May 20) -- Someone you know is ready to bust loose in some way, and you must not impede his or her efforts. You can answer a few important questions.

GEMINI (May 21-June 20) -- How do you

know that what another tells you is really the truth? Today, you can -- and must -- catch up on news that you recently missed.

CANCER (June 21-July 22) -- The history of your family not only provides a central fascination to you today, but it provides you with the key to unlock a mystery.

LEO (July 23-Aug. 22) -- What someone else usually provides is unavailable to you today, and you must be willing to try something new to achieve a familiar result.

VIRGO (Aug. 23-Sept. 22) -- It's good that you've made yourself learn a thing or two about a topic that is likely to become all-important today. You're ready for anything.

LIBRA (Sept. 23-Oct. 22) -- You have been resisting someone else for quite some time, and your resolve is running out. Today you may choose to give in completely.

SCORPIO (Oct. 23-Nov. 21) -- You can make an important contribution to a group effort. Focus on something that has you moving in a new direction. Victory can be yours.

SAGITTARIUS (Nov. 22-Dec. 21) -- You

will wake refreshed and ready to take on the day, but something may happen early on that threatens to derail your efforts.

CAPRICORN (Dec. 22-Jan. 19) -- Someone you know well is eager to involve you in something that may seem, on the outset, to be ill-advised. You need more info right away.

AQUARIUS (Jan. 20-Feb. 18) -- You are ready to step out of your comfort zone and try something quite unusual -- at least for you. A friend has your back; give it your all.

PISCES (Feb. 19-March 20) -- You're nearing the end of an important phase; what you've discovered about yourself recently can be applied to a new effort almost immediately.

ARIES (March 21-April 19) -- You cannot afford to do a thing merely because someone else tells you to do it; you must be sure that there is something for you to gain.
