HOROSCOPES by Stella Wilder

FRIDAY, MAY 3, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of the most adventurous individuals born under your sign, and you love nothing so much as packing it all in and heading off by yourself or with a friend or loved one to experience something new. The untold holds you in such thrall that there may be times when you actually endanger yourself by doing a new thing without taking enough time in advance to consider all the possible outcomes. You are not at all interested in following in the footsteps of others - except, perhaps, one or two mentors who will prove instrumental in helping you develop your taste for adventure and your ability to take what comes in stride.
SATURDAY, MAY 4
TAURUS (April 20-May 20) -- Somebody somewhere is working on a big surprise, and you want to be part of it. You don't want to be the one who is being surprised.
GEMINI (May 21-June 20) -- You may have to fulfill certain requirements today before you are able to move freely about and do the things you really want to do.
CANCER (June 20-July 22) -- You must balance necessity with desire today; what you must do and what you want to do can come together in a way that gives you much enjoyment.
LEO (July 23-Aug. 22) -- Anticipation allows you to stay a step ahead of the game today, but it can also prove challenging, as you are compelled to face certain fears.
VIRGO (Aug. 23-Sept. 22) -- You are pursuing something that is quite important to you. Someone may get in the way temporarily, forcing you to maneuver very carefully.
LIBRA (Sept. 23-Oct. 22) -- Pay attention to all the signs and markers you come upon today, as they will give you subtle hints about what is coming next for you.
SCORPIO (Oct. 23-Nov. 21) -- You may find something quite enjoyable today that you had feared would put you in a very bad mood. Why were you expecting only negatives?
SAGITTARIUS (Nov. 22-Dec. 21) -- Your opinions are worth more at a certain time today; you will want to wait until the time is just right to share them.
CAPRICORN (Dec. 22-Jan. 19) -- What you have in hand can prove quite valuable to you. Don't let it go, and don't make the mistake of thinking it must be augmented.
AQUARIUS (Jan. 20-Feb. 18) -- A task that you expected to struggle with today proves to be something of a breeze -- but only if you have done all you can to prepare for it.
PISCES (Feb. 19-March 20) -- You may be thinking that you can ignore something until you are ready to face it directly, but that's not the case. Tend to it now.
ARIES (March 21-April 19) -- See what you can learn from what others have done before you. Traditional methods may be best for you right now. Are you a third wheel?
