HOROSCOPES by Stella Wilder

TUESDAY, MAY 14, 2019
YOUR BIRTHDAY by Stella Wilder
 Born today, you may not always know where you are headed, but you will always walk down the road with a long and purposeful stride. You are confident that if you take advantage of the opportunities that present themselves to you, you will surely enjoy the kind of success that can bring you contentment in all aspects of your life. You believe in making the most of your talents and in developing your abilities to the fullest. When you are not allowed to do so, you can become frustrated and, in fact, difficult to be around. Fortunately, however, you are the kind of person who is able to make the most out of situations that others might not find conducive to good, productive work. You're always able to do something of value.
WEDNESDAY, MAY 15
TAURUS (April 20-May 20) -- The stronger and more firm in your opinions you seem today, the more likely you will be listened to -- and obeyed -- tomorrow. Don't play games.
GEMINI (May 21-June 20) -- Say what you mean today, and mean what you say. There's no time to waste on messages that must be interpreted or decoded in any way.
CANCER (June 21-July 22) -- What you do today may not be noticed at first, but one by one your fans will spread the word and you'll get the attention you truly deserve.
LEO (July 23-Aug. 22) -- You must trust a friend to do what is right today, especially when you are caught between the proverbial rock and hard place. Mind your footfall.
VIRGO (Aug. 23-Sept. 22) -- You can do much for someone who has done much for you. This is more than a mere courtesy, however; you can do much permanent good.
LIBRA (Sept. 23-Oct. 22) -- Now is the time for you to take a long look at what you think lies ahead. You may realize you've been imagining the impossible as of late.
SCORPIO (Oct. 23-Nov. 21) -- You may be surprised to learn that others are looking up to you at this time. What have you done to deserve this kind of respect? You know
SAGITTARIUS (Nov. 22-Dec. 21) -- A rival comes to you with an offer of peace, but you may not be willing to let the current contest come to an end just yet.
CAPRICORN (Dec. 22-Jan. 19) -- You have time today for the completion of a certain key task, but you will have very little wiggle room. Don't delay; get it done.
AQUARIUS (Jan. 20-Feb. 18) -- You may be hounded by those who know just what you can provide, but you may not be in the mood to provide it just now. Be firm.
PISCES (Feb. 19-March 20) -- Someone close to you had better get used to the word "no" today, for that's precisely how you are likely to respond to most requests.
ARIES (March 21-April 19) -- You can prove to someone that you're the one for the job, but you may not know all that the job entails just yet. By all means, ask questions.
