HOROSCOPES by Stella Wilder

MONDAY, MAY 20, 2019
YOUR BIRTHDAY by Stella Wilder
 Born today, you have a dignified charm and a certain grace with which you approach almost everything, but you have a way of imbuing everything with a unique twist so that even when you are being "conventional" you are, in fact, challenging convention. You don't wear what other people wear, and you don't present yourself the way other people present themselves. However, you are able to get a pass from everyone because you are consistent in your inconsistency and your choices are never random or meaningless. You are always promoting some idea of "you" whenever you step out -- personally or professionally. You are ambitious, and you will rarely if ever quit a task until it has paid off in some way.

TUESDAY, MAY 21
GEMINI (May 21-June 20) -- Trouble arises today when you try to step out of your comfort zone for too long. A brief foray is sure to be forgiven -- even rewarded.

CANCER (June 21-July 22) -- Don't treat others too delicately today or they are likely to assume that something is wrong. Behave normally, no matter what.
LEO (July 23-Aug. 22) -- Your interests are expanding at this time. Try to widen your focus; the more you can take in today, the more opportunities you'll discover.
VIRGO (Aug. 23-Sept. 22) -- You may wonder at the behavior of those closest to you today. Perhaps they are sending you signals that you're not yet picking up.
LIBRA (Sept. 23-Oct. 22) -- Your commitment to a certain cause is admirable, but is it really going to win you support or admiration? Consider moving on.
SCORPIO (Oct. 23-Nov. 21) -- You may have trouble persuading others that doing things your way is best for everyone -- perhaps because you don't believe it yourself.
SAGITTARIUS (Nov. 22-Dec. 21) -- Give yourself a chance to catch up with a rival today. Close the gap and you can begin to do things in a way that gives you the advantage.

CAPRICORN (Dec. 22-Jan. 19) -- Your appearance on the scene, even if expected by some, is sure to surprise others. Not everyone believed you would come through.
AQUARIUS (Jan. 20-Feb. 18) -- You may be flirting with one of your darker moods today. Get things done quickly if you can, and make time for some self-assessment.
PISCES (Feb. 19-March 20) -- Help someone else today, and he or she will surely help you when the time comes. All sorts of cooperative efforts pay off at this time.
ARIES (March 21-April 19) -- Give something away and it's not gone for good; its new owner will surely share it with you whenever you are available to enjoy it.
TAURUS (April 20-May 20) -- Treat others the way you want to be treated and your behavior will surely be above reproach. Not everyone can meet your standards, however.
