YOUR BIRTHDAY by Stella Wilder

Born today, you are never one to doubt yourself, and you will move forward with strength and confidence once you have assessed a situation, weighed the pros and cons, determined any and all potential gains or losses, and decided on a course of action. You are no daredevil, however; you always have your best interest at heart -- and your own safety, too. You will face danger when you have to, however, and you are far more likely to face it yourself than have anyone else face it for you. When there is something to be done, you want to do it yourself; you're not one to delegate your duties or responsibilities to others.

WEDNESDAY, MAY 29

GEMINI (May 21-June 20) -- You're likely to discover very soon that you've been barking up the wrong tree as of late. It may be time for you to call in a professional.

CANCER (June 21-July 22) -- You may not be holding a good hand, but your bluffing

skills are keen and you should be able to hold your own when the betting begins.

LEO (July 23-Aug. 22) -- Others have assured you you're doing the best you can do, but you have your doubts. You learn something today that alters your point of view.

VIRGO (Aug. 23-Sept. 22) -- You may sense that something is out of place today. Do what you can to restore it, but take care that you don't rock the boat.

LIBRA (Sept. 23-Oct. 22) -- You may not be able to do what you had promised, but you can make up for it by helping someone exceed his or her own expectations.

SCORPIO (Oct. 23-Nov. 21) -- You can keep trouble at bay today while tending to some personal business. You can be useful to someone who is dealing with something shady.

SAGITTARIUS (Nov. 22-Dec. 21) -- Your efforts are sure to have a key impact today. Keep doing what you are doing, and don't let the critics keep you from changing course.

CAPRICORN (Dec. 22-Jan. 19) -- Your

understanding of the big picture helps others in their efforts to match you in some way.

You'll retain the lead, however.

AQUARIUS (Jan. 20-Feb. 18) -- You're trying to force something into place, but your methods aren't really getting the job done. Try something less aggressive.

PISCES (Feb. 19-March 20) -- You're likely to hear from someone with whom you had many dealings in the past. He or she raises an issue you thought was resolved long ago.

ARIES (March 21-April 19) -- You're eager to get something finished, but an obstacle stands in the way that you may not be able to get around on your own.

TAURUS (April 20-May 20) -- Others may not be able to meet your expectations at this time. You'll have an opportunity to reflect on what you're doing and why.
