HOROSCOPES by Stella Wilder

MONDAY, JUNE 3, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you seek excitement, involvement and full commitment from all you choose to do -- and those are the reasons you choose those things. You know how to find what you are looking for because you are inquisitive, tenacious and never one to back away from something that may appear dangerous or challenging. The more unusual a thing is, the more attractive it will appear to you -- and if no one has ever done it before, you're sure to sign on and give it all you've got. You are not after fame and fortune per se, but the way you go about things is sure to attract much attention and win you both notoriety and reward -- if you do things right.

TUESDAY, JUNE 4
GEMINI (May 21-June 20) -- The requirements you face today may be more than you feel equipped to handle. You will want to engage the help of one who knows the ropes.

CANCER (June 21-July 22) -- You may have to take steps that others do not understand. The next two or three things that happen will likely have far-reaching effects.

LEO (July 23-Aug. 22) -- You know how to address the situations you are facing today, and others are more than willing to let you do so. You're in charge for now.

VIRGO (Aug. 23-Sept. 22) -- You're eager to dispense with a problem that has been pestering you for quite some time. The best method is the most direct, surely.

LIBRA (Sept. 23-Oct. 22) -- You're likely to be noticed today if you are where you're not supposed to be. You must be willing to follow the rules -- or pay the price.

SCORPIO (Oct. 23-Nov. 21) -- You have little or no interest in what someone else is trying to sell you. Make your position clear; don't let anyone waste your time.

SAGITTARIUS (Nov. 22-Dec. 21) -- You will have plenty of help today, if you want it. Others are eager to see you succeed, and even more eager to help you in your efforts.

CAPRICORN (Dec. 22-Jan. 19) -- You'll reach the halfway point today, but you won't stop there. Energy is high, and you're eager to get as far as you can before nightfall.

AQUARIUS (Jan. 20-Feb. 18) -- You may let someone else bend the rules a bit today, but you mustn't be so permissive with everyone. Know where to draw the line.

PISCES (Feb. 19-March 20) -- This is no time for feelings of invincibility. Indeed, the more you acknowledge your own limitations, the better.

ARIES (March 21-April 19) -- You don't want to have to go it alone today, but you may not have a choice after a rift develops inexplicably between you and a partner.

TAURUS (April 20-May 20) -- You'll feel as though you're going up one hill and down another again and again today. There is a certain method to this madness.
