HOROSCOPES by Stella Wilder

WEDNESDAY, JUNE 5, 2019
YOUR BIRTHDAY by Stella Wilder
 Born today, you are never one to insist on something that isn't rightly yours, nor will you ever jump the line to get nearer the front and enjoy what is coming to you before the time is right. You are patient, hardworking, fair-minded and always willing to do what you must to get ahead; you're not the kind to expect something for nothing. Indeed, this is so much the case that when you do finally begin to enjoy the kind of rare success of which you are likely so deserving, it's almost certainly going to take you by surprise. You are never one to forget where you came from, and you maintain a healthy set of morals and a belief system that gives you strength and provides a good deal of harmony in your life.

THURSDAY, JUNE 6
GEMINI (May 21-June 20) -- You may find a certain issue quite confusing today, especially because of the way it is being presented. You can illuminate matters eventually.
CANCER (June 21-July 22) -- Your judgment may not be completely unbiased, but it's the best you have to go on right now. No one else feels quite the way you do.
LEO (July 23-Aug. 22) -- You may have to make some unusual arrangements today to get certain things done, but better that than leave them undone altogether.
VIRGO (Aug. 23-Sept. 22) -- What you want to do may not be acceptable to some others, but you have some wiggle room and may be able to persuade the naysayers.
LIBRA (Sept. 23-Oct. 22) -- Others around you are eager to see things done in a new way, when you are more interested in old-fashioned methods. Compromise.
SCORPIO (Oct. 23-Nov. 21) -- Financial arrangements may not come together today as you had hoped, but you're not likely to be out of pocket very much ready cash.
SAGITTARIUS (Nov. 22-Dec. 21) -- Some may think you are exaggerating, but the truth is that a certain situation is just as good as you say it is today -- or just as bad.
CAPRICORN (Dec. 22-Jan. 19) -- You can afford to be much more choosy than usual today when it comes to options presented at the workplace. Nothing is forever.
AQUARIUS (Jan. 20-Feb. 18) -- You may not reach all your goals today, but that's no reason not to try. The further you get, the closer you are to your destination.
PISCES (Feb. 19-March 20) -- You've decided to do something that goes against common wisdom, but you've had success doing such things in the past, so why not?
ARIES (March 21-April 19) -- A pressing matter may keep you from doing what you've long looked forward to, but that doesn't mean the opportunity is gone for good.
TAURUS (April 20-May 20) -- Weather and other external forces seem to be working against you for a time, until you realize you can rearrange your plans in response.
