NOTICE: OREGON Landscape Contractors Law (ORS 671) requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: www.lcb.state.or.us to check the license status before contracting with the business. Persons doing landscape maintenance do not require a landscaping license.

YOUR BIRTHDAY by Stella Wilder

Born today, you are determined to surround yourself with all the things in life that you enjoy -- and though it may take quite some time to achieve this lofty goal you're committed to doing what it takes, for as long as it takes, to reach it. You have been endowed with unusual taste, perhaps, but the fact that this sets you apart from the masses is something you can be proud of -- provided, of course, that it doesn't compel you to do things that are simply unacceptable or inappropriate. You know how to follow the rules and use good manners. You don't have to offend or rub people the wrong way, so on those rare occasions when you do, others are likely to be quite baffled as to why.

FRIDAY, JUNE 7

GEMINI (May 21-June 20) -- A surprise may have you jumping the gun in some way today. You'll have the chance to reset, fortunately, and do things at the right times.

CANCER (June 21-July 22) -- You're eager

to move forward in a more aggressive manner, but "faster" doesn't necessarily mean you'll be more effective.

LEO (July 23-Aug. 22) -- An idea you've long embraced may not amount to much today when it's put into action. You are sure to realize what mistakes you've made.

VIRGO (Aug. 23-Sept. 22) -- You may be tempted to break with tradition and do something that no one expects, but that isn't necessarily the way to win over your critics.

LIBRA (Sept. 23-Oct. 22) -- You may have to get the consent of another before moving in a certain direction. Is this because danger is involved? Get the whole story.

SCORPIO (Oct. 23-Nov. 21) -- Things may take longer to go through the system today than you had anticipated. Make productive use of any time spent waiting.

SAGITTARIUS (Nov. 22-Dec. 21) -- It may be easier today than yesterday to follow the rules and do the things you are told to do. A new opportunity gets your attention.

CAPRICORN (Dec. 22-Jan. 19) -- You are

concerned that things may not be progressing the way you had hoped. Today is a good day to perform an honest self-assessment.

AQUARIUS (Jan. 20-Feb. 18) -- You'll be remembered, surely, for your grace under fire. What happens today can serve as an example for many as the future beckons.

PISCES (Feb. 19-March 20) -- The difference between "need" and "want" becomes clear once more. You are able to accomplish something that a rival has only dreamed about.

ARIES (March 21-April 19) -- You may be able to control the actions of those within your inner circle, but what happens outside of it may be anyone's guess at this time.

TAURUS (April 20-May 20) -- You are more emotional today than usual, but does it have to do with a recent loss -- or a coming opportunity? It should be quite apparent.
