NOTICE: OREGON Landscape Contractors Law (ORS 671) requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: www.lcb.state.or.us to check the license status before contracting with the business. HOROSCOPES by Stella Wilder

THURSDAY, JUNE 13, 2019

YOUR BIRTHDAY by Stella Wilder
 Born today, you can be quite easygoing, but you are also demanding and uncompromising when it comes to the quality of your work or your own ideals. You want nothing but the best for yourself and those in your care -- be they friends, family or loved ones -- and you will work tirelessly to see that you have what you want, and what you think those close to you want as well and will benefit from on a daily basis. It is likely that you will sink into dangerous lows at times, only to bounce back and soar higher than any of your closest rivals.

FRIDAY, JUNE 14

GEMINI (May 21-June 20) -- Arrangements you've made may not hang together today, because someone has thrown a wrench in the works. You probably can't fix this alone.

CANCER (June 21-July 22) -- Hard work today yields good results, but not necessarily those that you were anticipating. A friend surprises you with an announcement.

LEO (July 23-Aug. 22) -- Your heart and your head are not in perfect alignment right now, and the imbalance is preventing you from seeing things in the proper light.

VIRGO (Aug. 23-Sept. 22) -- You know where a good friend is coming from today, but you may not be able to close the gap between you just yet. That will take time.

LIBRA (Sept. 23-Oct. 22) -- Doing the right thing today is as simple as following your instincts. You know that you're on the right path and when you're being tempted.

SCORPIO (Oct. 23-Nov. 21) -- You're on a roll, and you can enjoy a great deal of activity that pushes all of your pleasure buttons. A friend comes along for the ride.

SAGITTARIUS (Nov. 22-Dec. 21) -- Much depends on how you feel about a coming challenge. Readiness is mostly a state of mind; do you need to adjust your attitude?

CAPRICORN (Dec. 22-Jan. 19) -- You may not be feeling quite yourself today, but that shouldn't stop you from doing the thing you've set out to do. Help is available.

AQUARIUS (Jan. 20-Feb. 18) -- You'll want to put your faith in those who have proven trustworthy in the past. You must believe what you are told -- and tell the truth.

PISCES (Feb. 19-March 20) -- Your instincts have served you well in the past 24 to 48 hours, but today you may find that you are dangerously off course.

ARIES (March 21-April 19) -- Stick with the people you know and love today. Now is not the time for you to venture into unknown territory. Feeling good takes work.

TAURUS (April 20-May 20) -- You are more able to talk about sensitive issues than most others, so you must be willing to lead any conversation where it has to go.
