HOROSCOPES by Stella Wilder

WEDNESDAY, JUNE 19, 2019
YOUR BIRTHDAY by Stella Wilder
 Born today, you have tremendous staying power, and whether you are dealing in work, love or mere recreation, you're "in it to win it" and you're not likely to give up or give in before you have given it your all -- whatever it is. Others may label you a force of nature, and so you are! You have such tremendous energy, drive and commitment that you are almost always to be found at the front of the pack, forging the path by which others may follow in your footsteps -- and, indeed, that is the secret to what makes you "you". You are a born leader, and will never, if you can help it, follow. You know how to take risks without exposing yourself to too much danger.
THURSDAY, JUNE 20
GEMINI (May 21-June 20) -- You must be ready to bear an emotional burden that will descend upon you very soon. Today, however, something bright keeps you going.
CANCER (June 21-July 22) -- You can waste time pinning blame for an unfortunate

development, or you can use it to keep the dam from collapsing altogether. The choice is yours.
LEO (July 23-Aug. 22) -- A recent decision may have to be remade before this day is out. You have time to weigh some new options and assess newly available information.
VIRGO (Aug. 23-Sept. 22) -- What seems a simple choice is actually much more complicated than anyone around may suppose. Soon you'll be immersed in a volatile debate.
LIBRA (Sept. 23-Oct. 22) -- You can delight in the work you have to do right now -- but you must accept the fact that you can't finish it all in one day.
SCORPIO (Oct. 23-Nov. 21) -- A friend seems to grasp a situation better than you do, despite your familiarity with it. It may be time to listen to his or her ideas at last.
SAGITTARIUS (Nov. 22-Dec. 21) -- You may require some downtime today -- not just to rest, but also to rethink your plans and come up with something new.
CAPRICORN (Dec. 22-Jan. 19) -- You

know what is expected of you, but you're not going to swing into motion until you know you've received all available info.
AQUARIUS (Jan. 20-Feb. 18) -- You'll receive assistance today, but the result may be that you are forced into a situation that requires you to share responsibilities.
PISCES (Feb. 19-March 20) -- It's a good day to look back and assess your progress. You should be able to make up any lost ground -- but watch your back at all times.
ARIES (March 21-April 19) -- You can take some very imaginative steps today as you address a long-standing problem. You may be surprised by what you encounter today.
TAURUS (April 20-May 20) -- Someone is waiting for you to make a decision that will affect you both. Why not talk it all over before laying down the law?
