**NOTICE: OREGON** Landscape Contractors Law (ORS 671) requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: [www.lcb.state.or.us](http://www.lcb.state.or.us) to check the license status before contracting with the business. Persons doing landscape maintenance do not require a landscaping license.

## HOROSCOPES by Stella Wilder

**THURSDAY, JUNE 27, 2019**  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are keenly interested in anything that you think will make you money -- for money is, as far as you are concerned, the be-all and end-all. This is surely true when you are young, and the hope of all those who know you is that you will discover that while money does have its place, there is far more to life than financial gain. Still, no matter how much you may grow and evolve, you're still likely to be motivated by profit than by any other possible gains. Fortunately, you are not only eager to make money, but you have what it takes to manage your money with a certain expertise -- and that will prove essential to your lasting happiness.  
**FRIDAY, JUNE 28**  
**CANCER (June 21-July 22)** -- You're after something that others cannot identify, much less locate, so you're pretty much on your own today. You know where to start looking.  
**LEO (July 23-Aug. 22)** -- Once you get yourself embroiled in a debate with experts

today, you will have committed yourself to the bitter end. You must avoid that!  
**VRIGO (Aug. 23-Sept. 22)** -- The devil is in the details, or so they say -- and that's why you must pay particular attention to the fine print today.  
**LIBRA (Sept. 23-Oct. 22)** -- You can make a big difference today if you are allowed to proceed unrestricted and unharnessed. Freedom is everything!  
**SCORPIO (Oct. 23-Nov. 21)** -- You don't want to be left out today, and at the same time you fear becoming too involved. It's possible to strike a healthy balance.  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- You may be faced by that which cannot be accurately measured. You must trust your instincts when it comes to knowing what to do.  
**CAPRICORN (Dec. 22-Jan. 19)** -- You are ready to go from here to there in record time perhaps -- but much depends on exactly when you start the journey. Is today the day?  
**AQUARIUS (Jan. 20-Feb. 18)** -- Someone

is likely to press an issue that was never one you paid much attention to -- but all that is about to change today. Be ready.  
**PISCES (Feb. 19-March 20)** -- You will want to tell the truth today at every opportunity. Those who try to deceive the powers that be will find themselves in real peril.  
**ARIES (March 21-April 19)** -- You are eager to share your experiences with someone whom you feel can lend some perspective -- and you know just who this should be.  
**TAURUS (April 20-May 20)** -- You and a friend know just what has to be done today, and why -- but you're not likely to agree on the best methods to use or the overall timing.  
**GEMINI (May 21-June 20)** -- You will have the advantage of seeing things happen before they happen -- but this sort of "sixth sense" isn't likely to be with you for long.
