HOROSCOPES by Stella Wilder

TUESDAY, JULY 9, 2019
YOUR BIRTHDAY by Stella Wilder
 Born today, you are one of the most upstanding, straightforward and honest individuals born under your sign -- but to remain so through thick and thin will prove something of a difficulty to you if you are unable to hold on to your "center" and remain confident in your abilities and secure in your nature. Indeed, whether you remain true to your "true self," that product of the stars that is so worthy of respect and admiration, will depend in large part upon your ability to admit mistakes as well as revel in success. The more honest you are with yourself, the better. There is so much about you to admire; it will be a tragedy to see you fritter it away!
WEDNESDAY, JULY 10
CANCER (June 21-July 22) -- You receive instructions that send you in an unexpected direction today. Focus on the things that confirm your suspicions and beliefs.
LEO (July 23-Aug. 22) -- Your ambition is keen, and your willingness to do whatever is necessary is not easily matched at this time. There are no guarantees, however!
VIRGO (Aug. 23-Sept. 22) -- You're likely to be tested by someone today in a way that you have never expected. This is a lesson you'll carry with you for quite some time.
LIBRA (Sept. 23-Oct. 22) -- You've set your sights unusually high at this time, but that's nothing to be unsettled by, as you're ready to tackle almost anything.
SCORPIO (Oct. 23-Nov. 21) -- You may be surprised at who appears just in time to play a key role in your affairs today. You'll want to make time for some honest talk.
SAGITTARIUS (Nov. 22-Dec. 21) -- You may not be able to avoid all tension today, but you'll surely be able to minimize its effects in the most important of situations.
CAPRICORN (Dec. 22-Jan. 19) -- You've been struggling under the same adverse circumstances for quite some time; today, you should be able to make some lasting changes.

AQUARIUS (Jan. 20-Feb. 18) -- A conflict is likely to arise today after you try to clear the air. The truth is that not everyone wants to hear what you have to say.
PISCES (Feb. 19-March 20) -- Signs and signals may be clear early in the day, but they are likely to become obscured later on. Interpreting them will take some time.
ARIES (March 21-April 19) -- You are in the right, but not everyone is willing to acknowledge the fact. Take care that you don't become aggressive; don't push your position.
TAURUS (April 20-May 20) -- You have a clear choice today. You can double down on a mistake you recently made, or you can correct it. You can't have it both ways!
GEMINI (May 21-June 20) -- The direct approach may be advised by some, but, in truth, you are best to try something that is more subtle and suggestive today.
