HOROSCOPES by Stella Wilder

MONDAY, JULY 29, 2019
YOUR BIRTHDAY by Stella Wilder
 Born today, you tend to keep to yourself whenever circumstances allow, but that's not likely to be very much of the time, as you are almost sure to be forced into the public eye at some point -- and once you're there, privacy and solitude are likely to be rarities in your life. Fortunately, you are not one of those introverts who simply cannot mix and mingle or work well with others; on the contrary, you are perfectly able to be productive in all manner of group settings. You like to give orders, but you must always take care that you do not do so when it is inappropriate.
TUESDAY, JULY 30
LEO (July 23-Aug. 22) -- Today may see you recovering from a setback that, at one time, was more serious than you had anticipated. All is well as you look to the future.
VIRGO (Aug. 23-Sept. 22) -- You may find that your taste, and the taste of a friend or loved one, are shifting somewhat and

becoming more compatible. Experiment!
LIBRA (Sept. 23-Oct. 22) -- You wish you were closer to someone than you are, but you know that you can make the best of it even as circumstances work against you.
SCORPIO (Oct. 23-Nov. 21) -- Focus on those things that you can control directly. Don't let yourself become caught up in something that promises to complicate matters.
SAGITTARIUS (Nov. 22-Dec. 21) -- You are seeking a kind of satisfaction that no one else can define for you. Explore what is possible, and you'll hit the jackpot.
CAPRICORN (Dec. 22-Jan. 19) -- You are eager to close the gap between you and a loved one. It's time to put the past behind you once and for all and make amends!
AQUARIUS (Jan. 20-Feb. 18) -- The argument between "should" and "should not" is likely to heat up considerably today. You may be stung by an unexpected betrayal.
PISCES (Feb. 19-March 20) -- Keep the lines of communication open today. What

you say behind the scenes is going to come to light, so you may as well open up.
ARIES (March 21-April 19) -- You may have to go through many more steps, and jump through many more hoops, than you had expected today -- but a difficult task can be completed!
TAURUS (April 20-May 20) -- You're looking for something quite specific to complete your collection. A friend offers invaluable information, and progress is made.
GEMINI (May 21-June 20) -- You mustn't let someone else shake you up today when you are preparing to do something you've long looked forward to doing. Stay on task!
CANCER (June 21-July 22) -- You may have to go exploring today in order to find what you are looking for, as it's not likely to be handed to you on a silver platter.
