NOTICE: OREGON Landscape Contractors Law (ORS 671) requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: www.lcb.state.or.us to check the license status before contracting with the business. Persons doing landscape maintenance do not require a landscaping license.

HOROSCOPES by Stella Wilder

MONDAY, SEPTEMBER 9, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you are likely to have been something of a whippersnapper when young, the kind of kid who delighted in getting into all kinds of trouble, but who also enjoyed the challenge of getting out of it again -- whether through talk or action. It's that same talent for quick thinking and daring, if sometimes unorthodox, behavior that is likely to take you very far in life as you grow into adulthood, and though it may not get you into trouble, it's sure to open many doors for you and allow you to sneak through those that refuse to open!

TUESDAY, SEPTEMBER 10
VIRGO (Aug. 23-Sept. 22) -- You will certainly have to face certain dangers today, but nothing you're unprepared for -- and nothing that should last very long.

LIBRA (Sept. 23-Oct. 22) -- The good and the bad are liberally mixed throughout the day, but you should be able to focus on the good to the exclusion of almost all else.

SCORPIO (Oct. 23-Nov. 21) -- You may be asking for trouble if you continue along your current course today. Two friends know what lies in store -- listen to them!

SAGITTARIUS (Nov. 22-Dec. 21) -- It may be time for you to reach out to someone who has been "on the outs" for quite some time. There are a few fences to mend today.

CAPRICORN (Dec. 22-Jan. 19) -- You understand what is going on, but you're not quite ready to do something about it. Be sure to take time to explore all of your options.

AQUARIUS (Jan. 20-Feb. 18) -- Listen to what your body is telling you about the day's developments, for it won't lie -- and its messages cannot possibly be misinterpreted.

PISCES (Feb. 19-March 20) -- Promises are made in all quarters today, but you needn't pay attention to anything anyone says as long as alliances are still unclear.

ARIES (March 21-April 19) -- You may find yourself moving back and forth over the same ground today without resolving anything. You get an important message, however.

TAURUS (April 20-May 20) -- If you're not going to follow the rules, then you'd better play a different game altogether -- one that allows you greater personal freedom.

GEMINI (May 21-June 20) -- Even as you finish up one or two important projects, you'll realize that what has been left undone will matter more to you in the coming days.

CANCER (June 21-July 22) -- Keep to yourself what is said and done in private -- or it won't be private any longer! Some things are as simple as you make them.

LEO (July 23-Aug. 22) -- Though you may have the authority to tell others what they can and cannot do, you are best to leave well enough alone -- at least for now.
