**NOTICE: OREGON**  
Landscape Contractors Law (ORS 671) requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: [www.lcb.state.or.us](http://www.lcb.state.or.us) to check the license status before contracting with the business. Persons doing landscape maintenance do not require a landscaping license.

**YOUR BIRTHDAY** by Stella Wilder

Born today, you have been endowed with such a vivid imagination that there is virtually nothing you cannot envision and then, given the opportunity, enough time and ample resources, turn that vision into reality. You have a knack for making people believe that what you have to offer is what they really need -- and indeed, you will make it so! Ultimately, it is likely that your contributions to the lives of others, direct and indirect, will be considered essential and necessary rather than frivolous luxuries -- and they will bring you tremendous personal rewards.

**SATURDAY, SEPTEMBER 14**

**VIRGO (Aug. 23-Sept. 22)** -- You'll want to take time today to address certain symptoms. You know why you're not feeling quite up to snuff; it's time to solve the problem.

**LIBRA (Sept. 23-Oct. 22)** -- Take care not to answer repeated questions with impatience or any hint of frustration. Remain calm, balanced and encouraging.

**SCORPIO (Oct. 23-Nov. 21)** -- Your day is likely to be brighter by far than yesterday, regardless of the weather. You've managed to improve your attitude tenfold or so!

**SAGITTARIUS (Nov. 22-Dec. 21)** -- You don't really understand all the ins and outs of a certain situation, but when you suggest a solution, many will want to try it.

**CAPRICORN (Dec. 22-Jan. 19)** -- What you are told today must be considered from all angles. The message contains more than mere information. How is it to be interpreted?

**AQUARIUS (Jan. 20-Feb. 18)** -- You may be unable to conceal certain desires from someone who has come to know you very well. Perhaps it's time to take it up a notch!

**PISCES (Feb. 19-March 20)** -- The difference between a hunch and a calculated guess will be made very plain to you today when your own actions either succeed or fail.

**ARIES (March 21-April 19)** -- You may find yourself disagreeing with a friend over something that is quite fundamental. You'll be able to work through this impasse.

**TAURUS (April 20-May 20)** -- You are in need of something more than a financial boost at this time. If you have the opportunity to expand your skill set, do it!

**GEMINI (May 21-June 20)** -- You may be reconsidering a plan that others had thought was completed and ready to go. It's not the plan so much as your own indecision.

**CANCER (June 21-July 22)** -- You may find that you're being held back by someone's rather limited imagination. It may be time for you to take charge today.

**LEO (July 23-Aug. 22)** -- If you don't like what's going on around you, you must do something to make a difference. Don't take it lying down! You can defend others as well.
