Bering Sea Gold

The summer gold mining season is heating up in Nome, Alaska, as this hit reality series returns for its 11th season, which sees the miners employing new strategies and deploying startling new technology as they explore new territory. Shawn Pomrenke confronts a formidable new competitor in Ken Kerr, whose 600-ton gold-digging behemoth dwarfs everything else on the water. Meanwhile, Vernon Adkison returns to the Bering Sea seeking redemption, but almost immediately runs into trouble navigating the treacherous Yukon River in his dredge.
