

tonight's best

Ted Danson

8 p.m. on CW
The Outpost

Garret (Jake Stormo) is taken aback when he runs into Talon (Jessica Green) and realizes she's now a Prime Order captive, since Gwynn's (Imogen Waterhouse) lost relative has a claim to the throne in the new episode "Nothing Short of Heroic." Elsewhere, Janzo (Anand Desai-Barochia) grows increasingly desperate to find a cure for the plaguelings. Several are stunned by the unveiling of a new Prime Order weapon with the capacity to cause utter devastation.

9 p.m. on ABC
The Last Days of Phil Hartman

Emmy winner Phil Hartman would have been 71 on Sept. 24. Instead, the beloved comedy veteran of "Saturday Night Live" and "NewsRadio" died at age 49 in 1998, when his wife, Brynn — reportedly under the influence of alcohol and cocaine — fatally shot him while he slept in the bedroom of their Encino, Calif., home. Later that same night, Brynn committed suicide after confessing her actions to two friends. This two-hour news special examines events in the days leading up to this murder-suicide, which rocked Hollywood.

9 p.m. on NBC
The Paley Center Salutes The Good Place

A sitcom about ethics? Currently up for multiple Emmy awards, the cerebral but sidesplitting comedy series "The Good Place," which begins its fourth and final season on Sept. 26, is celebrated in this new one-hour special, which includes highlights from Seasons 1-3, as well as interviews with the show's gifted ensemble, which includes Ted Danson, Kristen Bell, William Jackson Harper, Jameela Jamil, Manny Jacinto and D'Arcy Carden. Series creator Michael Schur also shares his insights.

9 p.m. on CW
Two Sentence Horror Stories

"Trilogy," the finale of this anthology horror series, pulls three chilling stories into a single episode. A young woman in the throes of romance must contend with a Chinese mother who will stop at nothing to keep her "perfect" daughter at home in "Ma"; a good Samaritan has reason to re-think the wisdom of picking up a hitchhiker on an isolated road in "Guilt Trip"; and a biohacker inadvertently taps into more than just the internet in "Singularity."
