Time for a fall clean up?

What you should know about the disposal of household hazardous waste.

What is household hazardous waste?
HHW is anything labeled toxic, flammable, corro-
sive, reactive or explosive. These materials can
threaten family health and the safety of pets and
wildlife.

Where can I safely dispose of my hazardous waste?
La Grande Facility: Open to any resident of the
three counties every other Tuesday, 8am-12 noon.
By appointment, however, small labeled quanti-
ties accepted daily. (541) 963-5459.
Baker City Facility: Open the first Wednesday of
each month, 10am-12 noon. By appointment only.
(541) 523-2626.
Enterprise Facility: Open the 1st and 3rd
Wednesday of each month 10am-12 noon. By
appointment only. (541) 426-3332.

Americans generate
1.6 million tons of
HHW per year!

The average home can
accumulate as much as
100 pounds of hazardous waste.

**I HELPED
SERVE
175 FAMILIES**

It doesn't take a big
commitment to make a big
difference. Together, with
millions of other volunteers,
your time adds up and helps
the Feeding America
nationwide network of food
banks serve 46 million
Americans every year.
Help the Feeding America
network get food in the
hands of those who need
it most.

**Pledge to volunteer at your
local food bank.**
