HOROSCOPES

by Stella Wilder

SATURDAY, SEPTEMBER 21, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you know how to get things done, and sometimes that means bending or breaking the rules to suit your own needs and circumstances. You will not let others stand in your way, and if that means you have to fight to assert and maintain your authority, so be it. You may know just what you want to do in life at a remarkably early age, and though you may not be able to get started on that in your own way when still young so that you are ready to take advantage of all opportunities when they arise.
SUNDAY, SEPTEMBER 22
VIRGO (Aug. 23-Sept. 22) -- You're trying to get a lot done in little time, no doubt, but you are exposing yourself to danger by trying to move too quickly.
LIBRA (Sept. 23-Oct. 22) -- Your preparations have been thorough, but you cannot account for every single eventuality and must

be ready to improvise at times.
SCORPIO (Oct. 23-Nov. 21) -- Your eyes have been opened to a situation that went unnoticed for too long. Does this mean that changes are in order? Only you know for sure.
SAGITTARIUS (Nov. 22-Dec. 21) -- You can take advantage of a situation that develops very quickly today because only you correctly anticipated it. Your time has come!
CAPRICORN (Dec. 22-Jan. 19) -- You're path until much later, you're sure to prepare in your own way when still young so that you are ready to take advantage of all opportunities when they arise.
AQUARIUS (Jan. 20-Feb. 18) -- You must try to keep yourself from overreacting to what happens today. If you are too dramatic, you will only make things worse.
PISCES (Feb. 19-March 20) -- You feel as though someone is trying to play games with you, but all the evidence suggests that something serious is going on. Which is it?

ARIES (March 21-April 19) -- Someone may be trying to outfox you today, but that's not likely to happen since you have a larger store of various resources at your disposal.
TAURUS (April 20-May 20) -- You may choose to spend time alone today rather than with friends or loved ones, and you needn't feel pressured to explain why.
GEMINI (May 21-June 20) -- You've been putting all you have into a project, but the results aren't proving satisfactory -- yet. Today that begins to change.
CANCER (June 21-July 22) -- The negative influence exerted by someone else can be negated today -- but only if you act forcefully and as soon as you get the chance.
LEO (July 23-Aug. 22) -- Someone has expressed doubts about what you are doing and where you are headed -- but you can offer proof that your efforts will surely pay off.

SUNDAY, SEPTEMBER 22, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you are never one to pass to another either responsibility or credit; you will always take the blame for something that is your fault, just as you will always take credit for something positive you've done. This doesn't mean that you always do things on your own; on the contrary, while you are able to perform solo tasks well, you prefer to work closely with members of a tightly knit team of people who understand what you are after and know how to get it for you. This implies that you prefer to be in charge -- and so you do!
MONDAY, SEPTEMBER 23
LIBRA (Sept. 23-Oct. 22) -- Something that seemed like a good fit only yesterday may, today, prove disappointing to you. There's time to make necessary changes.
SCORPIO (Oct. 23-Nov. 21) -- You suspect that a recent accident was not, in fact, accidental. It may be time for you to call for

an investigation. The truth will out!
SAGITTARIUS (Nov. 22-Dec. 21) -- You may be challenged head-on today by someone who thinks he or she knows your weaknesses -- but you will surely have a surprise in store.
CAPRICORN (Dec. 22-Jan. 19) -- You may have to work harder than usual today to determine who is the responsible party and what, if anything, must be done about it.
AQUARIUS (Jan. 20-Feb. 18) -- You're missing certain pieces of information that would help you come to a fuller understanding of what's going on. Talk to a friend.
PISCES (Feb. 19-March 20) -- You're feeling somewhat needy today, but you also feel as though there is no one who can satisfy you. That's not true, and you know it!
ARIES (March 21-April 19) -- You may have to try several solutions today before you are able to eradicate a certain problem completely. Home remedies can work well.
TAURUS (April 20-May 20) -- You

mustn't pass up the opportunity today to do something that only you know how to do with such style and flair. Don't hold back!
GEMINI (May 21-June 20) -- You'll be able to use most if not all of the information you receive today -- but where it leads you may prove quite surprising. Remain flexible.
CANCER (June 21-July 22) -- Your concern for a friend or loved one pays off today as you are able to step in and keep him or her from being victimized in some way.
LEO (July 23-Aug. 22) -- It's time to draw the line and demand that your boundaries be respected. For too long you've allowed someone to run roughshod over you!
VIRGO (Aug. 23-Sept. 22) -- You may experience something of a reversal today where a central endeavor is concerned. Now is no time to fight certain key trends.
