HOROSCOPES by Stella Wilder

YOUR BIRTHDAY by Stella Wilder
Born today, you have what it takes to attract a great deal of attention in your life-time and parlay that attention into the kind of driving energy and inspiration that it takes to score major victories again and again and again. You have a strong personality and a great many skills, and you seem to know better than most how to inspire those around you to reach further and achieve more than they otherwise would.
FRIDAY, SEPTEMBER 27
LIBRA (Sept. 23-Oct. 22) -- You may be quite sensitive to the needs of someone who hasn't really appeared on your radar before. A subtle shift is changing your outlook.
SCORPIO (Oct. 23-Nov. 21) -- Nothing you do in secret today is going to be secret for very long. You must get used to the fact that all will be revealed -- very soon.
SAGITTARIUS (Nov. 22-Dec. 21) -- Pay

attention to the little things today, and you'll be rewarded in a big way. It may seem as though things are becoming easier for you.
CAPRICORN (Dec. 22-Jan. 19) -- Much that goes on around you today will affect you in ways that you cannot completely understand at first. You must be receptive.
AQUARIUS (Jan. 20-Feb. 18) -- Questions abound regarding what you have in store, but you may not be able to answer them until you have dealt with an issue raised by a rival.
PISCES (Feb. 19-March 20) -- You'll be more interested in thoughts than actions today -- but you know as well as anyone that one leads to the other. Jokes may abound.
ARIES (March 21-April 19) -- Your idea of what "should" be done is likely to differ from someone else's -- but the question really is, who's the expert? You know the answer.
TAURUS (April 20-May 20) -- How you perceive another's mistakes today will inform your own attitude toward what you are able to

do. Practice makes perfect.
GEMINI (May 21-June 20) -- You will want to help others help you in turn, but the arrangements you come up with may not be fully supported by everyone. Certainty eludes you.
CANCER (June 21-July 22) -- You're able to do just what you are asked to do today, but only if the timing is just right. So much depends upon your own readiness.
LEO (July 23-Aug. 22) -- You may not be fit for every duty and responsibility today, but a few others are more than willing to step in and take up the slack.
VIRGO (Aug. 23-Sept. 22) -- Communication must remain unchecked today. The messages you send and receive add up to something more important than originally thought.
