HOROSCOPES by Stella Wilder
MONDAY, OCTOBER 14, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you are something of a visionary, and you won't stop until you see that what you have imagined is, in some way, transformed into reality. You want to be remembered, and remembered as important; you're not the kind to be satisfied with success in a vacuum; it's only effective and satisfying to you if what you do and the success you win touch and impact others. You want to have a lasting influence on the world around you in some way, both personally and professionally. Engagement is an essential part of who you are and what you do.
TUESDAY, OCTOBER 15
LIBRA (Sept. 23-Oct. 22) -- Take care that your view of today's events doesn't somehow become distorted; it's easier than you think to be fooled by appearances.
SCORPIO (Oct. 23-Nov. 21) -- You can consolidate your errands today and be much more efficient than planned. Be sure that you keep your primary intention firmly in mind.
SAGITTARIUS (Nov. 22-Dec. 21) -- That which appears from out of nowhere today is worth serious thought. You will want to guard against doing things the wrong way.
CAPRICORN (Dec. 22-Jan. 19) -- You're likely to have one or two ideas today that others would be eager to explore, but you may not be willing to share them just yet.
AQUARIUS (Jan. 20-Feb. 18) -- You may be very close to the finish line today, but there are still two or three things you must tend to before you can claim victory.
PISCES (Feb. 19-March 20) -- See if you can convince someone to do what you want to do today without making your case too complicated. Let your enthusiasm do the work.
ARIES (March 21-April 19) -- You are eager to see a current project move forward more quickly today -- and it can, provided you have anticipated certain developments.
TAURUS (April 20-May 20) -- A certain threat can be avoided today -- but you may have to leave someone else facing what you were unwilling to. Is that really fair?
GEMINI (May 21-June 20) -- You can enjoy more than your share of good luck today -- at least until late in the day when you are surprised by the appearance of a rival.
CANCER (June 21-July 22) -- Your domestic situation deserves some attention today. What someone says in passing has you thinking about what is really possible.
LEO (July 23-Aug. 22) -- The reality of a certain situation is likely to hit you all at once today. You have no trouble explaining to a friend what has happened.
VIRGO (Aug. 23-Sept. 22) -- You receive information that may not be accurate -- but that's really not the issue, is it? The source is what intrigues you most.
