HOROSCOPES by Stella Wilder

FRIDAY, OCTOBER 18, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you tend to be more artistic than intellectual, and you allow your heart to lead you more often than your head -- but you're not the kind to abandon thought altogether, surely! You recognize that there are times when you must step back from the brink to which your instincts and feelings have led you, and think about what you are doing -- and, if necessary, back away from any perceived danger and commit yourself to increased safety -- whether it be in your professional affairs or personal life.
SATURDAY, OCTOBER 19
LIBRA (Sept. 23-Oct. 22) -- A small change in plans has a very big impact on your day. Those who are following in your footsteps will be amazed by your flexibility.
SCORPIO (Oct. 23-Nov. 21) -- Give someone what he or she wants today. A favor is likely to be granted to you very soon -- though under different circumstances, surely.

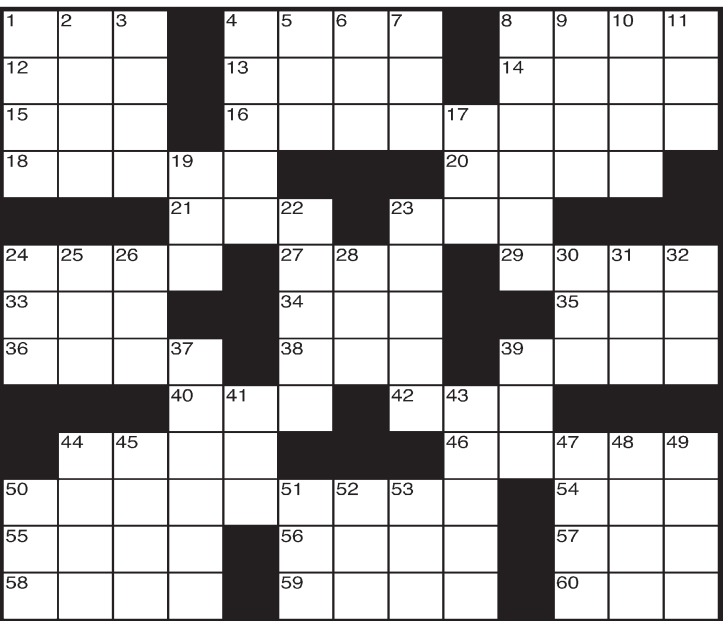

SAGITTARIUS (Nov. 22-Dec. 21) -- You don't want to hold someone hostage today by threatening to reveal a secret; you're not likely to benefit in the way you expect.
CAPRICORN (Dec. 22-Jan. 19) -- You may have less time than expected today to sort through a complicated mental puzzle. You're going to have to take a chance.
AQUARIUS (Jan. 20-Feb. 18) -- Your organizational skills may not be on display throughout the day, and others are likely going to have to clean up a few of your messes.
PISCES (Feb. 19-March 20) -- You're after very specific results today, but the way you are going about it may baffle observers. You're not following a straight path.
ARIES (March 21-April 19) -- Now is the time for you to place as much stock in what someone has to offer as you possibly can. Success depends on trust and loyalty.
TAURUS (April 20-May 20) -- Recent experiences will prove quite valuable today as

you face a situation that requires you to be almost entirely instinctual.
GEMINI (May 21-June 20) -- You may not be able to answer questions put to you today without taking some time to examine the background of those doing the asking.
CANCER (June 21-July 22) -- Today you may not have to take the same kinds of risks that you have been taking over the past week or two. Pressure lets up just in time.
LEO (July 23-Aug. 22) -- You may be in a tight spot before the day is out. Don't be in too much of a hurry to solve the problem; take time to think things through.
VIRGO (Aug. 23-Sept. 22) -- You'll get what you deserve today -- which is not necessarily what you think you deserve. You'll spy many contradictions all around you.

HOROSCOPES by Stella Wilder

SATURDAY, OCTOBER 19, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you tend to let life dictate the path you will take, rather than taking a controlling interest in your own journey. This works well for you, as you are quite adept at reacting to things as they happen and letting your instincts kick in and shape your decisions and direct your behavior. While not for everyone, of course, you very much enjoy not knowing what you're going to do with your self when you wake up in the morning -- and for this reason you're probably better prepared than most to take full advantage of opportunities as they arise.
SUNDAY, OCTOBER 20
LIBRA (Sept. 23-Oct. 22) -- You'll want to work as closely as you can with a partner today -- but not just anyone will do. You know whom you want on your team.
SCORPIO (Oct. 23-Nov. 21) -- Your ability to follow the rules without losing touch with your own center will impress those

working with you today. Share what you know.
SAGITTARIUS (Nov. 22-Dec. 21) -- If you're looking at things in an ordinary, routine way, then the secrets they hold are sure to elude you. Look through a different lens.
CAPRICORN (Dec. 22-Jan. 19) -- The harder you try to make things turn out "just right" today, the more likely they will be to disappoint you. Use a lighter touch.
AQUARIUS (Jan. 20-Feb. 18) -- You may want to adjust your expectations somewhat today, as you have evidence that not everything is as it seems to be. Stand at the ready.
PISCES (Feb. 19-March 20) -- You may have to burn the candle at both ends if you're going to get everything done -- but perhaps not everything has to get done today!
ARIES (March 21-April 19) -- You'll find yourself faced with a great many more contradictions today than usual -- but you can help others sort things out in your usual way.
TAURUS (April 20-May 20) -- Your care

and concern may have been misplaced recently, and today you'll realize just where your loyalties really lie. Someone is grateful.
GEMINI (May 21-June 20) -- You and a rival have been racing against each other for quite some time. Today, you may want to slow down a bit and let him take the lead.
CANCER (June 21-July 22) -- You need a little more space than usual today -- but not for the reason you think. It's time to set your mind to a central personal issue.
LEO (July 23-Aug. 22) -- You may be asked to do something for someone else today that doesn't come at all naturally to you -- but you'll benefit in the end, surely.
VIRGO (Aug. 23-Sept. 22) -- You may not be projecting the right image at this time. Take an honest look at yourself and others, and note the clear comparison.

SAGITTARIUS (Nov. 22-Dec. 21) -- Your motives are pure, but that's not enough to see you through a difficult situation if you're not willing to do your homework.
CAPRICORN (Dec. 22-Jan. 19) -- You are willing to do more for someone else than he or she is willing to do for you -- but eventually today things will be even Steven.
AQUARIUS (Jan. 20-Feb. 18) -- You're trying to keep things moving, but your own enthusiasm may not be what it was. What is it that is dampening your spirits?
PISCES (Feb. 19-March 20) -- You may have extra time on your hands today -- but will you be ready to take advantage of it as you should? You don't want to fritter it away!
ARIES (March 21-April 19) -- You can expect a certain encounter to knock you off balance for a time, but you may be able to put a conflict behind you for good.
TAURUS (April 20-May 20) -- Others are eager to know what you're doing -- and why.

You needn't explain yourself; let your actions speak for you. A mystery is solved.
GEMINI (May 21-June 20) -- You mustn't let your own mood get in the way of a productive collaboration today. Keep things light and positive, no matter what happens.
CANCER (June 21-July 22) -- Some may find you very persuasive today -- and so you can be. There are those who are immune to your charms, no matter what you say or do.
LEO (July 23-Aug. 22) -- You are eager to free yourself from a certain highly restrictive situation today, but it may not be in your control. You'll have to wait your turn.
VIRGO (Aug. 23-Sept. 22) -- You may want to hang back and let others go on ahead, as you've been considering changing course -- and that needn't involve everyone.
