HOROSCOPES by Stella Wilder

WEDNESDAY, OCTOBER 23, 2019
YOUR BIRTHDAY by Stella Wilder

Born today, you have certain ways of doing things, and you're not likely to change -- at least not very often. There are those who say you do things in an old-fashioned way, and those who say that your approach to life is quite modern and adventurous; both are, in fact, true! You do have quite an affinity for old-fashioned manners, old-fashioned motives, old-fashioned mores and old-fashioned style; indeed, there are times when it may seem that you've stepped out of a different decade -- or century, even -- altogether. However, you're never one to shy away from a new way of doing something.

THURSDAY, OCTOBER 24
SCORPIO (Oct. 23-Nov. 21) -- You may get more than you bargain for today when you ask questions of those who are on the periphery. They've been paying attention, clearly!

SAGITTARIUS (Nov. 22-Dec. 21) -- You may have to travel farther than expected

today in order to gather what you need to make things happen back home. Schedule wisely!

CAPRICORN (Dec. 22-Jan. 19) -- You're in the midst of preparing for something that is as yet unclear. Answers to questions lead to more questions, but they'll be answered.

AQUARIUS (Jan. 20-Feb. 18) -- You don't have a lot of time to spare today -- nor are you overflowing with resources. You must be economical on both counts.

PISCES (Feb. 19-March 20) -- You'll have the chance to show someone what you're capable of doing, and you're likely to shine under pressure. You attract new fans.

ARIES (March 21-April 19) -- You may not want to respond in kind when someone reaches out to you today; there are elements at play that require a different touch.

TAURUS (April 20-May 20) -- You are capable of wielding some serious force today, but you must take care that you're not doing anything out of proportion.

GEMINI (May 21-June 20) -- What you

say and do in response to some surprising queries are likely to impress the powers-that-be today. An offer may be forthcoming.

CANCER (June 21-July 22) -- It may be more difficult than usual today to prepare for something that you thought was merely routine. A few surprises wait for you, surely.

LEO (July 23-Aug. 22) -- What you know will prove valuable to you and to those around you today -- but what you don't know may be more important in a stranger sense.

VIRGO (Aug. 23-Sept. 22) -- You may be on the verge of something that can grow very quickly once you've begun in earnest. Don't hesitate to ask questions of the experts.

LIBRA (Sept. 23-Oct. 22) -- You may be required to navigate some unusual ground today; the footing may be stable, but the geography presents a number of surprises.
