654 Help Wanted Union Co.

IT Support Specialist

This is a ground floor opportunity for someone with basic Information Technology skills. The IT Support Specialist for EO Media Group works under the direction of the IT director to maintain and trouble shoot computer, network, pre-press and telephone system issues. Knowledge of networking and configuring both Mac and PC operating systems is required, as is the ability to learn and teach usage of proprietary software. This is a hands-on role, helping staff overcome IT issues both in person and by phone. Hours are generally 8 am to 5 pm Monday through Friday, but must be available for emergencies after hours. This position is based in Pendleton or LaGrande, OR., with occasional travel to other company locations. Background and driving records checks required.

Benefits include paid time off (PTO), insurances and a 401(k)/ Roth 401(k) retirement plan. Send resume and letter of interest with salary requirements to hr@eomediagroup.com.

HOROSCOPES by Stella Wilder

THURSDAY, OCTOBER 24, 2019 YOUR BIRTHDAY by Stella Wilder

Born today, you are for the most part quite even-tempered, and you deal with all manner of individuals as if they were friends of yours who have known you for years. Your general comfort with other people is perhaps unmatched -- at least among others born under your sign. You are quite tolerant and less critical of others than almost anyone else you know. Indeed, you are far more likely to give someone the benefit of the doubt than you are to call him or her out for some perceived wrong.

FRIDAY, OCTOBER 25

SCORPIO (Oct. 23-Nov. 21) -- You may think you have time only to start something, but the fact is you may well get it completed -- if you stick with it and focus!

SAGITTARIUS (Nov. 22-Dec. 21) -- Things are likely to fall into place quite nicely for you today, without much planning or effort. This won't continue for long, however!

CAPRICORN (Dec. 22-Jan. 19) -- You must keep distractions at bay today, or you're sure to fall short of the mark in several key areas. Your readiness is clear.

AQUARIUS (Jan. 20-Feb. 18) -- A situation you are eager to resolve may get out of hand for a time today -- but as they say, it's always darkest before the dawn.

PISCES (Feb. 19-March 20) -- Once you get started today, you're not likely to stop -- that's how energized you are likely to be. A friend gets in touch from afar.

ARIES (March 21-April 19) -- You may be wondering how long you will be torn between that which is good for you and that which is not. Why not settle this now -- today?

TAURUS (April 20-May 20) -- The time has come for you to answer the questions you are being asked and to stop feigning ignorance. That ruse has ceased being useful.

GEMINI (May 21-June 20) -- The key to a problem you've long been trying to solve is likely to be right in front of you today. The

sooner you try to use it, the better.

CANCER (June 21-July 22) -- You may not agree with the way someone else is doing this or that, but you can't fault the energy. You could use a little more yourself!

LEO (July 23-Aug. 22) -- You may have to put up with several interruptions today, but you can keep the engine running even when the wheels have stopped turning.

VIRGO (Aug. 23-Sept. 22) -- You can get more done today than you might have expected -- but only if you know just what must be done and why. You may have to explain yourself.

LIBRA (Sept. 23-Oct. 22) -- Now is no time to try to fool anyone into thinking you can do something you can't, for you'll surely be found out. Be honest -- and realistic.
