Grande Ronde Hospital proudly welcomes: Eve Koltuv, MD

Joining the Grande Ronde Hospital and Clinics team as a Pediatrician

Dr. Eve Koltuv joins the GRH Children's Clinic from Brooklyn, New York, where she spent several years as a Pediatrician after completing her residency and receiving her Doctor of Medicine from SUNY Downstate College of Medicine. Dr. Koltuv enjoys working with children and teens - getting to know them, building relationships with them, and watching them grow and change over time. She is passionate about creating a partnership with parents and sees herself as a guide through medical issues as well as parenting concerns. Her practice focuses on the whole child, especially growth and development, behavior, healthy sleep and lifestyle habits, and good nutrition. When not caring for patients, Dr. Koltuv enjoys spending time outdoors, including hiking, backpacking, nordic and alpine skiing, and biking. She is an avid reader, loves to travel, and especially relishes time playing and adventuring with her husband and two children.
