HOROSCOPES by Stella Wilder

SATURDAY, OCTOBER 26, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you are usually a cheerful, affable and friendly individual who seems, time and again, to enjoy almost any sort of interaction with other people. Indeed, you are often the person whom other people seek out in social situations, for they know that any interaction with you will be positive and enjoyable. While all of this is true, however, it overlooks the fact that beneath the surface you harbor doubts and insecurities that can, at times, prove quite self-destructive.
SUNDAY, OCTOBER 27
SCORPIO (Oct. 23-Nov. 21) -- You may not want to attract attention today, but the choice isn't necessarily yours. Things happen that rob you of your invisibility!
SAGITTARIUS (Nov. 22-Dec. 21) -- You can have more fun than usual today simply by doing what comes naturally -- and by involving a friend for whom this may be a new adventure.

CAPRICORN (Dec. 22-Jan. 19) -- You may be the unwitting victim of someone else's attempts at misdirection today. Soon, however, you'll be on track and advancing quickly.
AQUARIUS (Jan. 20-Feb. 18) -- You're not willing to accept responsibility for that which was not your doing -- but you can surely help solve the problem when asked.
PISCES (Feb. 19-March 20) -- An attraction turns into something else today. Danger lies in being unable to identify what is really going on. Seek a friend's advice.
ARIES (March 21-April 19) -- That which is most significant may also be most obscured, at least for a while. You may want to sit back and wait for clear signs.
TAURUS (April 20-May 20) -- After a short but intense period of increased effort, you should have an easier time of it today. Others are eager to learn something from you.
GEMINI (May 21-June 20) -- Your learning curve may be rather steep today, but you can make progress in a way that is unique to you -- and that wins you immediate rewards.
CANCER (June 21-July 22) -- Keep your eyes and ears open for indications that not all is as it should be. The unusual will require your attention at all times today.
LEO (July 23-Aug. 22) -- The difference between clear and cloudy is evident today, though you may have trouble when things are supposed to be "routine."
VIRGO (Aug. 23-Sept. 22) -- You may be called upon to advocate for someone who is not in a position to speak effectively for himself or herself. Stick to the issues at hand.
LIBRA (Sept. 23-Oct. 22) -- You'll welcome the opportunity to join forces with someone who has taken on an important new responsibility. Show what you're made of.

SUNDAY, OCTOBER 27, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you are realistic, thoughtful, sometimes philosophical and always reflective. You never let a day go by without thinking about how you fit into the world and how the world affects you -- inside and out. You are not, by nature, a social individual; to mix and mingle with others takes effort -- and sometimes it is simply so much work that you may retire from a party quite exhausted. You never react to anything on a purely intellectual level; there is always an emotional component to how you live your life.
MONDAY, OCTOBER 28
SCORPIO (Oct. 23-Nov. 21) -- Following in someone else's footsteps may not be the best way to find your own way, of course, but it can yield other benefits today.
SAGITTARIUS (Nov. 22-Dec. 21) -- A key issue is obscured today, and you're the only one who can clear the air. Focus on what others know, and start from there.

CAPRICORN (Dec. 22-Jan. 19) -- You may be stopped in your tracks today by someone who has only just now appeared on the scene. Small adjustments will have to be made.
AQUARIUS (Jan. 20-Feb. 18) -- You may have to spill the beans today in order to get others to believe other more important things you've kept under wraps. Pick and choose.
PISCES (Feb. 19-March 20) -- When all is said and done today, you may have negotiated a strong deal for yourself and your allies. Results are not immediate, however.
ARIES (March 21-April 19) -- You'll recognize that someone else's motives are very similar to your own. This precipitates a thaw in your relationship -- at last!
TAURUS (April 20-May 20) -- A disagreement arises today because you are unwilling to recognize when someone is telling you precisely what you want to hear. Listen!
GEMINI (May 21-June 20) -- The past is very much a part of your future, and the decisions you make today will make this very clear to you and those in your inner circle.
CANCER (June 21-July 22) -- You may be distracted for a time from the thing you really should be doing, but when you get back to business, you'll proceed at a faster pace.
LEO (July 23-Aug. 22) -- Listen to all that your body is telling you today and you'll avoid a problem that could, in little time, become dangerous. A friend reaches out.
VIRGO (Aug. 23-Sept. 22) -- You may be caught between two uncomfortable situations, neither of which has yet become "full blown." A revelation allows you to escape.
LIBRA (Sept. 23-Oct. 22) -- While others may have only one chance to get something right today, you're likely to enjoy two or three. Don't question this stroke of luck.
