

Northwest Furniture and Mattress was established in 2014, by the father and son team Mike & Shaun Daggett. These two are no strangers to the furniture world with over 30 years of combined experience in the industry. Both men and their families are Eastern Oregon Natives and are active members of their communities. Mike and Shaun are both members of the La Grande Optimist Club which is a youth oriented non-profit organization. Mike and Shaun enjoy the outdoors and all this beautiful area has to offer.
