HOROSCOPES by Stella Wilder

FRIDAY, NOVEMBER 1, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you can at times be rather secretive, and yet it is not wholly intentional. The truth is that your privacy is quite important to you, and you would prefer to withhold information than to give it, all things considered, and this is purely a product of your personality rather than a conscious choice. You know how to break free of any cocoon of silence you may construct around yourself, and you do so often -- but usually only with those who are either very close to you, or those with whom you must interact to get business done.

SATURDAY, NOVEMBER 2
SCORPIO (Oct. 23-Nov. 21) -- You can encourage others and find that in the process you can also inspire yourself. Things work in unusual and mysterious ways today.
SAGITTARIUS (Nov. 22-Dec. 21) -- Your rewards today are directly aligned with the effort you put in; you must be willing to do all you can to win what you feel you deserve.

CAPRICORN (Dec. 22-Jan. 19) -- You may be confused by the emotional current running through an otherwise simple and straightforward endeavor. What's really going on?

AQUARIUS (Jan. 20-Feb. 18) -- You may be blinded to certain possibilities today because someone has promised something that is too good to be true.

PISCES (Feb. 19-March 20) -- You can gather your forces and do something quite memorable today, or you can let the day pass without doing much at all. The choice is yours.

ARIES (March 21-April 19) -- Potential is high, and your ability to see what lies before you is perhaps unequalled. You'll have the advantage all day long.

TAURUS (April 20-May 20) -- What you need is just out of reach. Don't risk harming yourself by overstepping or overreaching; be patient, and the distance will be closed.

GEMINI (May 21-June 20) -- You may not be in control of your own destiny today; success or failure has little to do with you directly, but you must still put in a good effort.

CANCER (June 21-July 22) -- You'll benefit from doing the same thing over and over today until you get it just right. You learn more than usual from such repetition.

LEO (July 23-Aug. 22) -- You can make a smart investment today, but you mustn't expect to score any measurable returns right away. Let things run their course.

VIRGO (Aug. 23-Sept. 22) -- You may feel that you've been the victim of a miscarriage of justice -- but it's not over yet! Take your case to one who can turn this around.

LIBRA (Sept. 23-Oct. 22) -- You may be resigned to what you think is going to happen, but there's no reason not to engage yourself fully and work toward a reversal of sorts.
