HOROSCOPES by Stella Wilder

SATURDAY, NOVEMBER 2, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you can be quite impulsive when the mood strikes you, but most of the time you are far more likely to watch what is going on around you in a studious manner in order to get as much information as you can about a given situation or circumstance before making a decision or choosing a course of action for yourself -- or others. It is not so much that you are cautious, but rather that you never want to go into something new uninformed.
SUNDAY, NOVEMBER 3
SCORPIO (Oct. 23-Nov. 21) -- You may have to make demands that seem unreasonable at first -- but if you're tactful, you can smooth the way for yourself and others.
SAGITTARIUS (Nov. 22-Dec. 21) -- You can experiment with your own coping skills today. You're certainly more ready to deal with some things than you are others.
CAPRICORN (Dec. 22-Jan. 19) -- You'll want to start slowly today and be sure that your messages are getting across, even as you look ahead to a major accomplishment.
AQUARIUS (Jan. 20-Feb. 18) -- You're likely to come up with an idea that is exciting not only to you but to those around you as well. This is the start of something big.
PISCES (Feb. 19-March 20) -- You mustn't come off as being "entitled" today, though you must also telegraph your natural confidence. You can strike a careful balance.
ARIES (March 21-April 19) -- Your schedule may be quite full today, but you'll still be able to find time for a special friend who needs what only you know how to give.
TAURUS (April 20-May 20) -- You want something that you know you cannot have, but that doesn't mean you cannot enjoy where private thoughts of its acquisition take you.
GEMINI (May 21-June 20) -- Someone is eager to work more closely with you than ever before, but you may sense there is something going on that you don't yet know about.
CANCER (June 21-July 22) -- You can prove that you're as capable as anyone else today when a superior expresses doubts. From now on, things may be much easier for you.
LEO (July 23-Aug. 22) -- You're eager to move in a new direction today, but you still have to follow certain rules and regulations that don't seem to suit your spirit.
VIRGO (Aug. 23-Sept. 22) -- You're ready for almost anything that comes your way today. You can be a pillar of strength for someone who is in a much weaker position.
LIBRA (Sept. 23-Oct. 22) -- Just when you think it will be impossible to make a certain pressing decision, someone comes through for you in a way that makes the choice easy.

YOUR BIRTHDAY by Stella Wilder
Born today, you are no stranger to difficult or even "impossible" situations, and you are drawn to difficulties and challenges the way other people are drawn to favorite foods or drinks. Indeed, the comparison is apt, for you are the kind of person to derive tremendous personal growth and nourishment from all kinds of difficulties -- from the personal to the professional. A true Scorpio native, you do not respond well to being restricted, oppressed or hemmed in, and you will fight against anyone who tries to stifle you in any way.
MONDAY, NOVEMBER 4
SCORPIO (Oct. 23-Nov. 21) -- A new partner raises issues today that you have not wanted to acknowledge. Now is the time, however -- and you know it. Discuss openly.
SAGITTARIUS (Nov. 22-Dec. 21) -- Expectations may be steep at this time, but you know how to satisfy them. It's all a matter of time management -- and a sudden inspiration.
CAPRICORN (Dec. 22-Jan. 19) -- You need additional information before moving forward with a certain plan today. Someone you approach may be reluctant to share.
AQUARIUS (Jan. 20-Feb. 18) -- It's a good day to roll with the punches; you don't have to react adversely to everything that happens to you at this time, surely.
PISCES (Feb. 19-March 20) -- Mistakes you make today needn't affect you for very long -- or anyone else, for that matter. All will be well as long as you learn from them.
ARIES (March 21-April 19) -- You're going to have to get your hands dirty today, whether or not you want to. The current situation demands that you take part directly.
TAURUS (April 20-May 20) -- You may not be able to maintain momentum all day long; you're in danger of a long-term slowdown only if your reaction is out of proportion.

MONDAY, NOVEMBER 4
SCORPIO (Oct. 23-Nov. 21) -- A new partner raises issues today that you have not wanted to acknowledge. Now is the time, however -- and you know it. Discuss openly.
SAGITTARIUS (Nov. 22-Dec. 21) -- Expectations may be steep at this time, but you know how to satisfy them. It's all a matter of time management -- and a sudden inspiration.
CAPRICORN (Dec. 22-Jan. 19) -- You need additional information before moving forward with a certain plan today. Someone you approach may be reluctant to share.
AQUARIUS (Jan. 20-Feb. 18) -- It's a good day to roll with the punches; you don't have to react adversely to everything that happens to you at this time, surely.
PISCES (Feb. 19-March 20) -- Mistakes you make today needn't affect you for very long -- or anyone else, for that matter. All will be well as long as you learn from them.
ARIES (March 21-April 19) -- You're going to have to get your hands dirty today, whether or not you want to. The current situation demands that you take part directly.
TAURUS (April 20-May 20) -- You may not be able to maintain momentum all day long; you're in danger of a long-term slowdown only if your reaction is out of proportion.

YOUR BIRTHDAY by Stella Wilder
Born today, you are no stranger to difficult or even "impossible" situations, and you are drawn to difficulties and challenges the way other people are drawn to favorite foods or drinks. Indeed, the comparison is apt, for you are the kind of person to derive tremendous personal growth and nourishment from all kinds of difficulties -- from the personal to the professional. A true Scorpio native, you do not respond well to being restricted, oppressed or hemmed in, and you will fight against anyone who tries to stifle you in any way.
