**REDUCTION IN LIFELINE SUPPORT**

Recently, the Federal Communications Commission (FCC) released an Order (FCC 11-42) that made significant Changes to the federal and state Low Income Program known as Lifeline. Lifeline, which currently provides assistance to more than 7 million eligible consumers, is intended to help make local telephone service more affordable. Because of these changes, beginning with your December 2019 bill your monthly Lifeline credits will potentially decrease by \$2.00 per month. Legal No. 152138 Published: November 4, 2019

**HOROSCOPES** by Stella Wilder

MONDAY, NOVEMBER 4, 2019  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are one of those very fortunate people who can put things together in creative ways and make what you do much more valuable to you and to others than the sum of its parts. You understand how things are interrelated, and you appreciate your connection with both the past and the future -- and yes, you can "see" the future with much more clarity than most other individuals born under your sign.

TUESDAY, NOVEMBER 5  
**SCORPIO** (Oct. 23-Nov. 21) -- You must deliver orders clearly and succinctly today if others are going to follow your instructions correctly. Leave no room for guesswork.

**SAGITTARIUS** (Nov. 22-Dec. 21) -- You can control only so much today, and the rest is going to come upon you as it will. You must be ready to make adjustments very quickly.

**CAPRICORN** (Dec. 22-Jan. 19) -- The possible and the impossible compete for your attention today. What is it about the undoable that has you in such a state?  
**AQUARIUS** (Jan. 20-Feb. 18) -- Deadlines loom, but it's more important today that you fulfill a promise made to a loved one recently. Now may be your only chance to do so.

**PISCES** (Feb. 19-March 20) -- Help from a friend moves you forward, surely, but not necessarily in the right direction. You'll have to make changes before nightfall.

**ARIES** (March 21-April 19) -- You can dig deep to find meaning in almost anything, surely, but today you won't have to search far to realize what is a top priority.

**TAURUS** (April 20-May 20) -- Work with your schedule to include someone who is new to the game. You want to introduce him or her to what is possible -- and likely.

**GEMINI** (May 21-June 20) -- Pay attention to what is happening all around you today in order to avoid surprise when environmental influences begin to be felt.

**CANCER** (June 21-July 22) -- You are interested in what someone else is doing, but not so interested that you're willing to change course -- yet. That time may come.

**LEO** (July 23-Aug. 22) -- Asking questions of those who have been in your shoes will surely give you information you can use -- but one answer remains elusive.

**VIRGO** (Aug. 23-Sept. 22) -- You can solve a mystery today and have others singing your praises as a result. You realize toward day's end what's really been at stake.

**LIBRA** (Sept. 23-Oct. 22) -- Your interest in the affairs of others can serve you very well today, but take care you don't become intrusive. Stay at a safe distance.
