HOROSCOPES

by Stella Wilder

WEDNESDAY, NOVEMBER 6, 2019

YOUR BIRTHDAY by Stella Wilder

Born today, you have a tendency to challenge all authority, or even that which vaguely resembles authority, without even what seems like a good reason to those around you. Many think that you simply cannot bear to be told what to do, or when or how to do it, and will react instinctively to anyone's attempt to control you in such a way. This is not the case, however, for you almost always have a very good reason for standing up to authority when you do.

THURSDAY, NOVEMBER 7

SCORPIO (Oct. 23-Nov. 21) -- You may have to clean up someone's mess today before anyone else knows it was made in the first place. You can talk about this later.

SAGITTARIUS (Nov. 22-Dec. 21) -- You cannot afford to make any careless errors today; if you are confident in your work, you'll make progress regardless of your

"score."

CAPRICORN (Dec. 22-Jan. 19) -- You may not understand someone else's meaning in full today, but you'll get the gist, certainly, and derive a plan of action as a result.

AQUARIUS (Jan. 20-Feb. 18) -- You may need to spend a little more time on yourself today after you receive news that goes very much against the grain. A loved one balks.

PISCES (Feb. 19-March 20) -- You'll value the little things today just as much as the big ones -- and you may actually realize that you've got all you need to prevail.

ARIES (March 21-April 19) -- A warning given to you by someone else doesn't pan out today -- but that doesn't mean it won't tomorrow or the next day. Remain vigilant!

TAURUS (April 20-May 20) -- It may not be enough for you to do what comes naturally today; you're going to have to learn how to present yourself in the best possible way.

GEMINI (May 21-June 20) -- You will be

reading into what someone else does and says all day long -- but take care you are not simply being self-indulgent.

CANCER (June 21-July 22) -- The rules you apply to others apply to yourself as well -- or weren't you aware of that? Today, it is likely to become abundantly clear!

LEO (July 23-Aug. 22) -- You'll be making decisions all day long of one kind or another, but you may not realize at first when you make the most important one of all.

VIRGO (Aug. 23-Sept. 22) -- You may be reunited today with someone who not only offers you enjoyable memories, but a new, possibly lucrative opportunity as well.

LIBRA (Sept. 23-Oct. 22) -- You're likely to feel the absence of a loved one acutely today -- but not necessarily for the reasons you think. Explore all your feelings.
