HELLO!

Winter is an exciting time of year at Art Center East. Our annual open exhibit, The Big, kicks things off on December 6 with work by local & regional artists, where we'll do the final drawing for our Raffle Extravaganza. Make your holiday gifts in one of our make-&-take classes (such as a fused glass bottle stopper or a gemstone healing bracelet) or dazzle your guests with new culinary skills (a la cheesescaping or handmade ravioli). Our Gift Gallery will be open for extended hours on December 14 for our Holiday Open House (8 am - 4 pm) and the week of December 16-20 - shop and sip on a complimentary glass of wine until 6:00 pm all week long.

We'll start 2020 with a fresh take on fiber arts with our 4th Annual Fiber Arts and Jewelry Exhibit: Farmers Markets in Fiber. Artists will use images from local farmers markets to inspire their work, and the image will be displayed next to the final piece to show the artistic process and celebrate the bounty of our local farmers.

Mission:

Inspire, enrich, and interlace Eastern Oregon communities through creative expression.

The Big Read returns to Union County in February and March. Join in the fun of this community event by reading the selected title, discussing it in book groups or one of our community book discussions, and look out for related classes and events in Union and Willowa counties. Find out more on p. 9.

BECOME A MEMBER OF ART CENTER EAST!

As a member-based organization, Art Center East relies on our members to help bring art exhibits, classes, and events into the community. If you aren't already a member, consider joining! Membership fees are an integral part of our funding and you get benefits, too! Enjoy 10% off of Gift Gallery purchases, 20% off of class fees, a free copy of our annual Membership Print (Household Level and +), and more! See back page for more information.
