HOROSCOPES by Stella Wilder

FRIDAY, NOVEMBER 8, 2019
 YOUR BIRTHDAY by Stella Wilder
 Born today, you can be rather demanding at times, and woe betide the person who decides that he or she would rather fight with you than bend to your wishes -- for you can be quite vicious when pulled into battle by someone who doesn't want to do things your way. It's almost as if any sort of objection to the way you think about something is an affront to your sense of self -- and indeed it is in some way, and one that you can react to most unpleasantly! You are fiercely independent, and you can want the world to align in your favor -- which means, of course, that you're likely to be disappointed quite often.

SATURDAY, NOVEMBER 9
SCORPIO (Oct. 23-Nov. 21) -- What you are looking for today you are likely to find -- but not where you expect to find it. Follow a clue presented by an unlikely ally.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may enjoy a surprise encounter with someone you may have tried to avoid only yesterday. Peripheral events affect you deeply.

CAPRICORN (Dec. 22-Jan. 19) -- You'll receive assistance from someone who seems to know better than you what you are going through. Can you trust this new friend?

AQUARIUS (Jan. 20-Feb. 18) -- You can jump into a tricky situation and save another from an unpleasant comeuppance -- and he or she will soon return the favor.

PISCES (Feb. 19-March 20) -- The work you have to do today may not satisfy you on any but the most surface level -- and yet you will discover it is wholly worth doing.

ARIES (March 21-April 19) -- The goals you are pursuing today are not yours alone -- but you'll want to do as much as you can on your own, without anyone's help.

TAURUS (April 20-May 20) -- You're eager to see what someone brings to the table today. Discussion will be necessary before your group chooses which path to take.

GEMINI (May 21-June 20) -- What you say and do today are likely to seem very different from the norm to those who know you only professionally. You reveal much.

CANCER (June 21-July 22) -- The more you react to the things you cannot control, the more others are going to try to exploit your vulnerabilities. Keep calm and collected.

LEO (July 23-Aug. 22) -- You're eager to know whether something is going to affect you as expected -- but you'll have to wait until you encounter it directly.

VIRGO (Aug. 23-Sept. 22) -- A little guesswork leads to some profitable experimentation. You don't have to be certain of anything to enjoy progress in everything.

LIBRA (Sept. 23-Oct. 22) -- Your previous experience holds you in very good stead today. Don't try to pass yourself off as something you're not, however.
