HOROSCOPES by Stella Wilder

YOUR BIRTHDAY by Stella Wilder
Born today, you are never one to make the mistake of thinking there is only one right way to do a thing. You are far more interested in process than in result. The journey is far more interesting to you than the destination, and learning about something is far more satisfying in the long run than knowing about it. You are flexible, tolerant and encouraging to others - often more so than you are with yourself. You can be quite hard on yourself, and yet at the same time you're more than willing to give others the benefit of the doubt.
SUNDAY, NOVEMBER 10
SCORPIO (Oct. 23-Nov. 21) -- There is much that you have to learn about someone with whom you will be working in the coming days. Begin with the simplest elements.
SAGITTARIUS (Nov. 22-Dec. 21) -- You'll have the chance to catch up with someone who is far ahead of you and the rest of the pack -- but scheduling is a key factor.

SATURDAY, NOVEMBER 9, 2019
CAPRICORN (Dec. 22-Jan. 19) -- You've not promised anything one way or the other, so you'll still have the flexibility you need to lay things out to your advantage.
AQUARIUS (Jan. 20-Feb. 18) -- The day begins on a promising note. Don't set yourself back by trying to do too much too quickly or all at once. Pace yourself.
PISCES (Feb. 19-March 20) -- A personal issue demands time, and yet you still owe someone close to you some attention. You can come up with a satisfactory solution.
ARIES (March 21-April 19) -- You may feel buffeted by circumstances that are not quite to your liking today. You could be tempted to withdraw from a certain contest.
TAURUS (April 20-May 20) -- Even a little self-indulgence can get you into hot water today. Avoid anything that, in the past, you've had trouble controlling.
GEMINI (May 21-June 20) -- You may have to bend -- or even break -- the rules today in order to get where you need to be.

SUNDAY, NOVEMBER 10, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you like to pretend that you know what to do at all times, and that you are never tripped up by the unexpected -- but such is not the case. The fact is that you often haven't the slightest clue about what you might do at any given moment, and you trust your instincts to steer you in the right direction when momentum itself doesn't come into play. Otherwise, you are content to continue along the path you are already traveling, and you rarely feel the need to change course simply because the going might get tough at times.
MONDAY, NOVEMBER 11
SCORPIO (Oct. 23-Nov. 21) -- You'll want to keep an accurate record of all that happens today. You may never have to refer to it -- but it'll be there just in case.
SAGITTARIUS (Nov. 22-Dec. 21) -- You never know when someone will object to something without warning, and you must be ready to explain your methods and motives.
CAPRICORN (Dec. 22-Jan. 19) -- You may not fully appreciate what someone is trying to do for you until it is no longer being done. Perhaps you can start over.
AQUARIUS (Jan. 20-Feb. 18) -- All indicators point to a new development that changes the personal dynamic at home in a subtle but important way. Communicate openly all day!
PISCES (Feb. 19-March 20) -- You very likely see what's coming today -- perhaps you quite late -- but you will not know until it has arrived just how best to react to it.
ARIES (March 21-April 19) -- You may be next in line, but that doesn't mean it'll be your turn before the day is out. You've been patient, and you must keep on being so!
TAURUS (April 20-May 20) -- You may choose to set one thing aside today in order to explore something else more fully. This is likely to take more time than expected.
GEMINI (May 21-June 20) -- You don't want to overtax yourself or your allies today -- but there is a challenge to overcome, and you may not ever have the chance again.
CANCER (June 21-July 22) -- The power of suggestion will be on full display today -- and you must guard against leaving yourself open to any kind of dangerous intrusion.
LEO (July 23-Aug. 22) -- You're not the one in charge, perhaps, but you will certainly be able to arrange things in such a way that potential is maximized on all fronts.
VIRGO (Aug. 23-Sept. 22) -- You may have trouble focusing on the one thing that must be done today. Like it or not, you have no choice; you must complete the task!
LIBRA (Sept. 23-Oct. 22) -- The progress you make today may not be dramatic, but anyone who looks closely will see just how much you get done. This is a small victory.
