Dichroic Fused Glass Pendants (Age 16+)

December 3 from 6:00 - 7:30 pm

& December 5 from 5:00 - 6:30 pm

In this two-day class, create two dichroic fused glass pendants that feature silhouette images - cutouts provided in class. This two-step process requires firing the pendant twice: on the first day we will create the background and foreground - fired in the glass kiln between classes - and on the second day we will incorporate the image and fire once more. Your pieces will be ready for pick up 3 days later. Each pendant will be a unique work of art made by you! Please enter through 5th Street door.

Homeschool Art (Age 6+)

December 4, 11, 18 from 1:15 - 2:45 pm

From Van Gogh to Kahlo, via diverse artists and art forms, we will explore art history using the great and the not-as-well-known artworks as inspiration to create original work in various mediums. Clay, paint, fibers, and recycled materials will all be explored through skill-building, open-ended projects. A great introduction to art making and art history for homeschoolers. Please enter through 5th Street door.

Cheesesescaping (Age 21+)

December 14 from 4:00 - 6:00 pm

Want to improve your cheese plate game for the holidays? Come learn about cheesesescaping, a style of cheese plate design that combines food and floral elements to create a whimsical plate full of seasonal bounty. We'll sip on a complimentary glass of wine while we talk about the basics of cheesescape design, then each participant will try their hand at an original composition to take home. By the end of class your plate will look like it should be hanging on an art museum wall. To ensure enough fresh ingredients for everyone, registration is required 48 hours in advance. Enter through the Penn Avenue door.

Teaching Artist: Sarah West
