Art Center East presents Farmers Markets in Fiber, our 4th Annual Fiber Arts & Jewelry Exhibit. The exhibit invited artists to use photographs taken at a regional farmers market as a springboard to create new works in fiber. Each artist selected one inspiring image, interpreting

its colors, textures, and subject through the lens of their chosen medium. Viewers will have a chance to compare the two - getting a glimpse into the creative process - as the photograph and the finished piece will be displayed side-by-side. Sponsored by the La Grande Quilt Shop.
