

The Fundamentals of Drawing (Age 10+)
January 9, 16, 23, 30 from 5:00 - 6:30pm
 The Fundamentals of Drawing will teach students about the basic techniques and materials of drawing. Class activities are based on the seven elements of art: line, shape, color, texture, value, space, and form. Classes will start with a demo, then students will practice the drawing activity for themselves. The intent of this class is to create a fun and easy-going space where students can sharpen their drawing skills. Please enter through the 5th Street door.
