HOROSCOPES by Stella Wilder

WEDNESDAY, NOVEMBER 13, 2019
 YOUR BIRTHDAY by Stella Wilder
 Born today, you are destined to be one of the most important individuals born under your sign during your lifetime, as you refuse to limit yourself to the kinds of things that affect you and you alone. You want to do something important in life, and affect as many people as possible as you work to make the world a better place. Your reputation is less important to you than one might think, for you do not really concern yourself with the opinions of others.
 THURSDAY, NOVEMBER 14
SCORPIO (Oct. 23-Nov. 21) -- You may be requested to step out of your comfort zone today -- but the person asking can surely make it worthwhile. You expect only the best!
SAGITTARIUS (Nov. 22-Dec. 21) -- Unexpected rewards come your way, but you may not be able to hang on to all of them. You must share with others who have helped you.
CAPRICORN (Dec. 22-Jan. 19) --

Though you are coming up with all sorts of justifications for it, your current behavior is simply not acceptable -- and you know why.
AQUARIUS (Jan. 20-Feb. 18) -- You can make amends to those whom you have wronged lately -- but take care that you don't commit a second offense unintentionally.
PISCES (Feb. 19-March 20) -- You may not be feeling quite like yourself today, especially where routine affairs are concerned. You're feeling trapped by circumstances.
ARIES (March 21-April 19) -- You are likely to receive approval for one of your more unusual requests today, but another may come under critical scrutiny and be denied.
TAURUS (April 20-May 20) -- Now is no time to try to buck the system; you must be willing to work with others according to the rules to increase your chances of success.
GEMINI (May 21-June 20) -- You can get a great deal done at this time, even if the help you requested doesn't materialize. You can

keep up a healthy pace all day long.
CANCER (June 21-July 22) -- You may have to work with someone who doesn't seem to be in sync with your methods or motives -- which is certainly tricky, but not impossible.
LEO (July 23-Aug. 22) -- You're ready to put it all on the line today for something you know you deserve. Take care, however: You may be misinterpreting signs.
VIRGO (Aug. 23-Sept. 22) -- You may have trouble getting teammates in the same room at the same time today -- but this doesn't mean you'll experience a slowdown.
LIBRA (Sept. 23-Oct. 22) -- You have no interest in doing the same things today that you did yesterday -- or the day before. Something new beckons to you before long.
