HOROSCOPES by Stella Wilder

YOUR BIRTHDAY by Stella Wilder

Born today, you may not always recognize the best choice that is presented to you, or the right path that is laid out before you, but you are always more than willing to have a go and experiment and do what you can to explore all the possibilities you are facing in any given moment. The journey, for you, is far more important than the destination, and you are far less interested in coming up with the right answers than you are in asking the right questions.

FRIDAY, NOVEMBER 15
SCORPIO (Oct. 23-Nov. 21) -- You may have to do more today for fewer gains -- but what choice do you have? You must stay in the game in order to remain competitive.

SAGITTARIUS (Nov. 22-Dec. 21) -- Someone you thought you knew quite well throws a wrench in the works today by responding to a request in a very surprising manner.

CAPRICORN (Dec. 22-Jan. 20) -- The unimagined becomes more than imaginary today; indeed, what you think of as "real" is likely to undergo something of an overhaul!

AQUARIUS (Jan. 20-Feb. 18) -- The trail you are following right now may lead you far afield -- but there are many lessons to be learned along the way, certainly.

PISCES (Feb. 19-March 20) -- You should be able to step in and resolve a conflict between two warring parties today without attracting much attention.

ARIES (March 21-April 19) -- You may be feeling distant from friends and family today even though you haven't ventured far from home. It's time to reach out!

TAURUS (April 20-May 20) -- You can wiggle your way out of a difficult situation without throwing a friend or anyone else under the bus. An arrangement can be struck.

GEMINI (May 21-June 20) -- Unusual weather patterns threaten to undermine certain efforts today. You can make adjustments, however, that help in the long run as well.

CANCER (June 21-July 22) -- You'll receive the help you ask for today, but nothing more -- so be sure to ask for what you really need! You can return the favor soon.

LEO (July 23-Aug. 22) -- You may have to answer to someone who has only recently taken charge of a certain situation. You actually know more than he or she does.

VIRGO (Aug. 23-Sept. 22) -- You can find your way over some treacherous terrain today without anyone's help -- but having someone accompany you can make it more enjoyable.

LIBRA (Sept. 23-Oct. 22) -- What you're waiting for is likely to happen today -- but its timing may not be wholly beneficial to you. You may have to seek shelter.
