YOUR BIRTHDAY by Stella Wilder
Born today, you are bound and determined to do things your own way, even if it means you must sacrifice what others would consider sacred and suffer through difficulties that would simply be too much for most ordinary mortals. You can be rather impatient with those who seem to be stuck by tradition, morals or expectations, and though you may be friendly with such people at times, it is not likely that they will ever be your friends.

SATURDAY, NOVEMBER 16
SCORPIO (Oct. 23-Nov. 21) -- You may want to hand someone else the reins today as you begin to navigate a personal situation that requires your attention.

SAGITTARIUS (Nov. 22-Dec. 21) -- Look back at where you started to see if you can't tell just where you took an unexpected turn. You may find that it's not a bad thing!

CAPRICORN (Dec. 22-Jan. 19) -- A mysterious beckons, but you may feel unworthy of the task at hand. With a little help, however, you can uncover all manner of clues.

AQUARIUS (Jan. 20-Feb. 18) -- Recent efforts may not have paid off as you had hoped, but you're entering a new phase of productivity, and right now the sky's the limit.

PISCES (Feb. 19-March 20) -- You can turn a liability into an advantage before the day is out, but this may result in unexpected strain on a key relationship.

ARIES (March 21-April 19) -- The more accurate your notes and records today, the more likely you will be to avoid any kind of coup d'état that another has in store.

TAURUS (April 20-May 20) -- The interpretation of messages of all kinds will be quite important throughout the day. Be sure you're not crossing signals with another.

GEMINI (May 21-June 20) -- Someone else seems to have the confidence you lack at this time -- but you're likely to discover by day's end that the opposite is in fact true.

CANCER (June 21-July 22) -- You may have to drop what you are doing at some point today and fulfill someone's promise to a third party. This won't set you back.

LEO (July 23-Aug. 22) -- You'll have to answer to someone at the end of the day, but if you arrange things just right, it will be a friend rather than a foe.

VIRGO (Aug. 23-Sept. 22) -- Someone may be tempting fate today by bending the rules in his or her favor -- but you know the value in playing it straight.

LIBRA (Sept. 23-Oct. 22) -- Time is money today -- and you cannot afford to waste either. A friend seems to know just what you need to do today -- and why. Give it a try.

HOROSCOPES by Stella Wilder

SATURDAY, NOVEMBER 16, 2019

YOUR BIRTHDAY by Stella Wilder
Born today, you have been endowed with a competitive streak that is at least a mile wide, if not wider, and you can make a contest out of virtually anything that you or others have to do -- whether it is a rare and exceptional task or something utterly familiar and routine. To suggest that you always have to win, however, would be to misinterpret this central aspect of your personality; what's important to you is taking part, pitting yourself and your skills against worthy adversaries and letting the chips fall where they may.

SUNDAY, NOVEMBER 17
SCORPIO (Oct. 23-Nov. 21) -- You've been trying to keep a secret for quite a long time, but the fact is that almost everyone close to you knows already -- or thinks so.

SAGITTARIUS (Nov. 22-Dec. 21) -- As the Bard wrote long ago, "the readiness is all" -- and today, what happens to you will prove it. You'll have others following your lead.

SUNDAY, NOVEMBER 17, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you are optimistic, eager and always willing to lend a hand when you feel your assistance or contribution will be valuable to the recipient. You aren't the kind to jump into new situations without learning all you can about them; you are not a daredevil, and you will not throw caution to the wind. Rather, you prefer to study; do your homework and arrive at a full understanding of that which you may be considering before you even venture seriously in that direction.

MONDAY, NOVEMBER 18
SCORPIO (Oct. 23-Nov. 21) -- You may be tempted to put one over on a friend so that you are in a more advantageous position, but doing so will actually work against you.

SAGITTARIUS (Nov. 22-Dec. 21) -- You are likely to be given a chance no one else enjoys today. This may require you to make a split-second decision before you feel ready.

CAPRICORN (Dec. 22-Jan. 19) -- When quizzing others about their knowledge of certain events, you must be sure that you ask no "trick" questions that arouse suspicion.

AQUARIUS (Jan. 20-Feb. 18) -- You know precisely why you are doing certain things, but you are in no mood to explain yourself to those who doubt your motives are true.

PISCES (Feb. 19-March 20) -- Any assumptions made today can turn against you quite suddenly and put you in a vulnerable, dangerous position. Get the facts!

ARIES (March 21-April 19) -- Someone has been following you of late, but you aren't sure why. Instead of guessing, ask questions of those who are directly involved.

TAURUS (April 20-May 20) -- You can enjoy a celebration of sorts with friends and relatives -- provided you don't sink away because you aren't "in the mood." Lighten up!

GEMINI (May 21-June 20) -- You're likely to learn something important today even in the most unlikely of situations. Be sure to keep your eyes and ears open!

CAPRICORN (Dec. 22-Jan. 19) -- Beginnings and endings will prove all-important today -- but that doesn't mean you can neglect what goes on in the middle! Be thorough.

AQUARIUS (Jan. 20-Feb. 18) -- Your choices may be limited at this time, but you can make the most of what you finally decide on simply by doing what comes naturally.

PISCES (Feb. 19-March 20) -- Don't neglect those around you who need your assistance with little things. Routine affairs take on greater importance throughout the day.

ARIES (March 21-April 19) -- You fear being at a disadvantage today when faced with a certain challenge, but you'll acquit yourself well if you trust your instincts.

TAURUS (April 20-May 20) -- There's always a way to get around certain obstacles, and all you have to do today is visualize the solution in order to make it all work out.

GEMINI (May 21-June 20) -- You keep telling someone to give him- or herself a break, when in fact it's you who could use a little time off. Take your own advice!

CANCER (June 21-July 22) -- You'll have every reason to say yes to a friend or family member today, even though a rival will do his or her best to convince you otherwise.

LEO (July 23-Aug. 22) -- Take stock of all that you have going for you today and you'll realize that you're in a very strong position. You can come through for a friend.

VIRGO (Aug. 23-Sept. 22) -- What you do may not attract a great deal of attention today -- but you're likely to say something that turns many heads. This is a good thing!

LIBRA (Sept. 23-Oct. 22) -- You may refuse someone's unusual request at first, but later on today you're likely to change your mind. A new bond is quickly forged.

CANCER (June 21-July 22) -- Someone you've been able to count on in the past may no longer be reliable -- but that's not something you'll know right away. Tread cautiously.

LEO (July 23-Aug. 22) -- You'll want to pay attention to certain people who are behaving in ways that you do not consider normal or even appropriate. Is there any danger?

VIRGO (Aug. 23-Sept. 22) -- It may be time for you to lay down the law to someone who hasn't yet realized just where your boundaries truly are. Apologies aren't enough.

LIBRA (Sept. 23-Oct. 22) -- The expected and the unexpected are likely to compete for your continued attention at this time, as both prove attractive to you.
