Spray-in Bedliner

Give that hard working pickup some love this Christmas (and help the owner out, too!) When a truck works as hard as its owner, there are lots of ways for it to take a beating. Adding a spray-in bed liner from Island Express will give it the protection it needs for strenuous daily activity. Hauling equipment and tools, carrying heavy cargo or braving the elements can quickly gouge up a truck bed or cause it to rust. A spray-in can be applied to new or older model trucks and will give you years of great performance!

Pickup Bumpers

Everyone has pickup owner in their life, so why not a new bumper for the holidays? Stock bumpers are great but not the most durable for our rugged Eastern Oregon lifestyle. After-market bumpers are made from thick, durable steel with stronger attachment points. They are designed to be tough, long-lasting, and take abuse while protecting the front and rear of the truck. Steel truck bumpers can withstand hard knocks and hits from mountain debris and wildlife. Provide the finishing touch to any 4x4! At Island Express same day installation is always available.

WeatherTech All-Weather Floor Mats

Help protect the interior of the vehicle they love so much! WeatherTech All-Weather Floor Mats are manufactured in America and have deeply sculpted channels designed to trap water, road salt, mud and sand. Our All-Weather Floor Mats are made from an advanced rubber-like Thermoplastic Elastomer, a virtually odorless latex-free material that contains no harmful chemicals. These mats are engineered to stay flexible in even the coldest of temperatures and feature a protective finish to make cleanup quick and easy. All-Weather Floor Mats are custom sized and designed for the specific make and model of your vehicle to give the best possible protection for your vehicle's floor and trunk.
