Fjallraven Vidda Pro Trouser

Fjallraven is an industry leader in technical trekking apparel, and these tough as nails pants exemplify that approach - with pockets for everything you can think of, to a gusseted crotch for extra comfort on tough climbs, to reinforced seat and knees and ventilation, to the famous G 1000 waxed canvas fabric, to... well, you get the point!

*Under Armour
Down Vest*

Under Armour is known for its athletic apparel, but this down insulation vest shows they deliver on technical outdoors just as well as they do on the football field!
