HOROSCOPES by Stella Wilder

WEDNESDAY, NOVEMBER 20, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you are never one to look back on your past – either days past or years past -- with anything like regret. You do, however, take the time to assess your progress, and to study the path you've taken over days, weeks, months or years in order to determine, as best you can, the path you should take in the future. You enjoy all that brings you pleasure in life, and yet you understand that hardship is very much a contributor to that which you call "you."

THURSDAY, NOVEMBER 21
SCORPIO (Oct. 23-Nov. 21) -- You may experience some "technical difficulties" today that set you back a bit. You can recover quickly once everything is back in line.

SAGITTARIUS (Nov. 22-Dec. 21) -- You are eager to reach out to an old friend who has been out of the picture for quite some time. He or she is likely to know what's up.

CAPRICORN (Dec. 22-Jan. 19) -- You may have to conjure a very tricky way of getting around a certain obstacle today -- that is, if indeed you want to get around it!

AQUARIUS (Jan. 20-Feb. 18) -- You're wanting to put the blame on someone who is utterly blameless in this certain situation. It's time to look at your own track record.

PISCES (Feb. 19-March 20) -- You must work your day rather like one would play a chess game, considering every move and its consequences well in advance. Anticipate!

ARIES (March 21-April 19) -- You have something waiting for you that you are not all that eager to attend to at this time. You receive a reminder of a coming event.

TAURUS (April 20-May 20) -- You may fear something that has only been hinted at by others. Focus on what is real and clear to all, and not what you may only be imagining.

GEMINI (May 21-June 20) -- It may fall to you today to put an end to something that has been quite enjoyable for you and others for quite a while. It's time to move on.

CANCER (June 21-July 22) -- You receive a shock today that has you putting a certain plan in motion more quickly than you had anticipated. A friend raises concerns.

LEO (July 23-Aug. 22) -- You can do a job with your usual expertise today and still there will be those who choose not to support you. Pay them no mind!

VIRGO (Aug. 23-Sept. 22) -- Your inner confidence allows you to address a certain situation with just the right balance of urgency and grace. You impress the boss.

LIBRA (Sept. 23-Oct. 22) -- Someone you know isn't playing by the rules, but there is little you can do about it -- unless you're willing to open Pandora's box.
