HOROSCOPES

THURSDAY, NOVEMBER 21, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you like to live on the edge, and as one who gives his or her all to most any relationship or endeavor, you can be unusually emotional in your day-to-day dealings -- but not so much that you fall prey to your own depth of feeling. On the contrary, the fact that you feel things so deeply and so profoundly is what gives you the strength to pursue your most lofty goals; your aspirations are built upon the very emotional current that runs swiftly just beneath your sometimes-deceptive surface.
FRIDAY, NOVEMBER 22
SAGITTARIUS (Nov. 22-Dec. 21) -- You're in the mood for one of your "favorites," but you may have trouble choosing -- especially since you may not be granted it outright.
CAPRICORN (Dec. 22-Jan. 19) -- You'll want to review a piece of work in order to come up with the right ideas for a future project. The old and new combine well.
AQUARIUS (Jan. 20-Feb. 18) -- You're seeking a way to get something done without attracting attention, but that may not be possible. Others are watching, like it or not.
PISCES (Feb. 19-March 20) -- You're letting minor annoyances get to you far too much at this time. Relax, and let the world turn without you for a little while.
ARIES (March 21-April 19) -- Progress can be made today, but it comes in an unusual way -- and in a most unexpected form. This is nothing to scoff at, surely!
TAURUS (April 20-May 20) -- You are keenly aware of what is going on around you today, but that doesn't mean you can do anything to stop it. Accept it and move on!
GEMINI (May 21-June 20) -- You may want to look back at a success to determine if it is possible, today, to repeat it. That is a dangerous way to proceed right now.
CANCER (June 21-July 22) -- You are in a position of authority that you may not wholly appreciate. It's a good day to test another's boundaries -- and your own, too.
LEO (July 23-Aug. 22) -- Questions abound today about the methods you are using to achieve a certain result. Your supporters can "sell" your work better than you can.
VIRGO (Aug. 23-Sept. 22) -- You are taking good care of someone who needs it, but he or she isn't really aware of how deeply involved you really are. You can make it clear.
LIBRA (Sept. 23-Oct. 22) -- You may take a wrong turn today as you pursue a creative endeavor toward its logical conclusion -- but the result actually betters your odds!
SCORPIO (Oct. 23-Nov. 21) -- Someone returns from a faraway spot to confront you about something you actually know little about. You may choose to follow up on your own.
